. . . is evinced in all phases of school life as the students work together to carry on the tradition of the Mighty Lions. This spirit embodies the ideals of the student body of L.H.S. as they strive toward higher goals. In scholastics, in athletics, in organizations, in social life, can be found the Spirit of Lions—the foundation on which achievement is built.

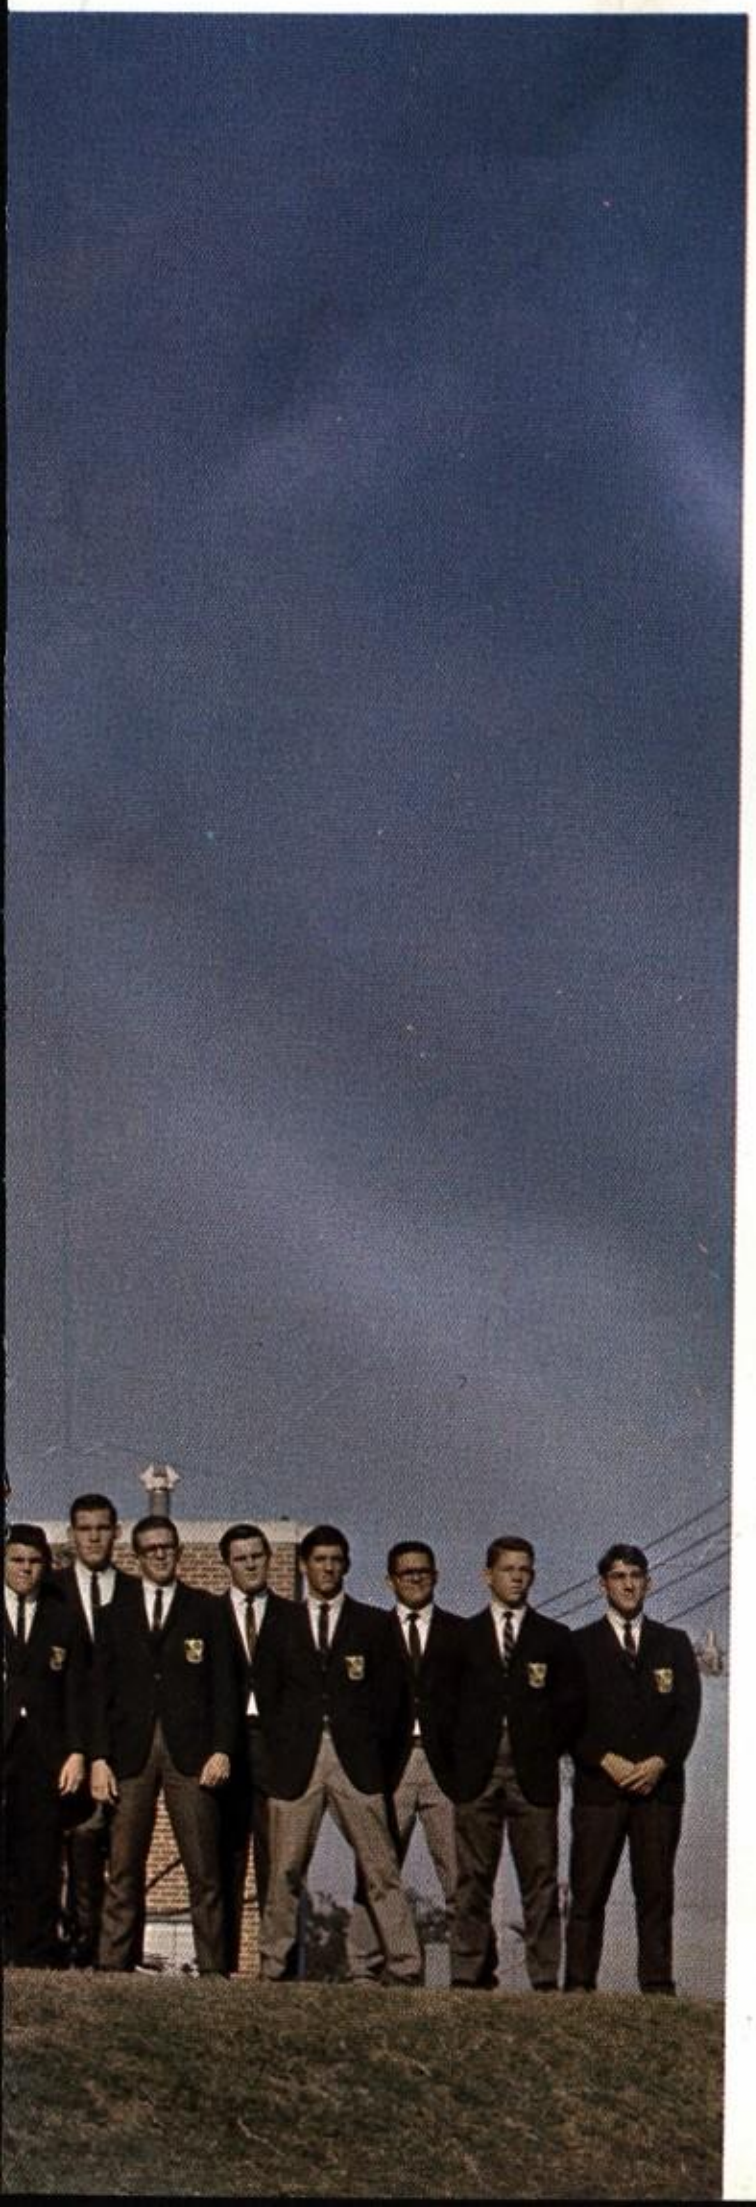
of Our Lions . . .



. . . who through their zeal and dedication have brought to Lafayette High School the honor of being called the Home of the Mighty Lions. It is not without hard work, true team spirit, and sacrifice that they have earned the distinction of First Place in District and Second Place in State. We, the students of Lafayette High, appreciate this effort and can, perhaps, best express this appreciation by saying what a deep feeling of pride we have in Our Mighty Lions.

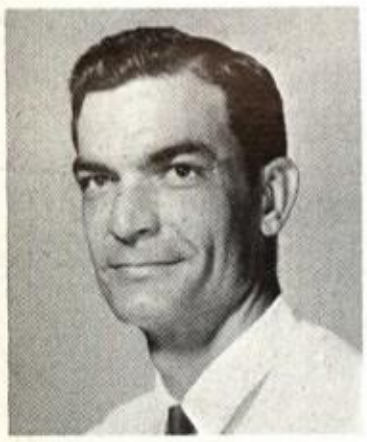
Guidance Lends Opportunities for the Future . . .

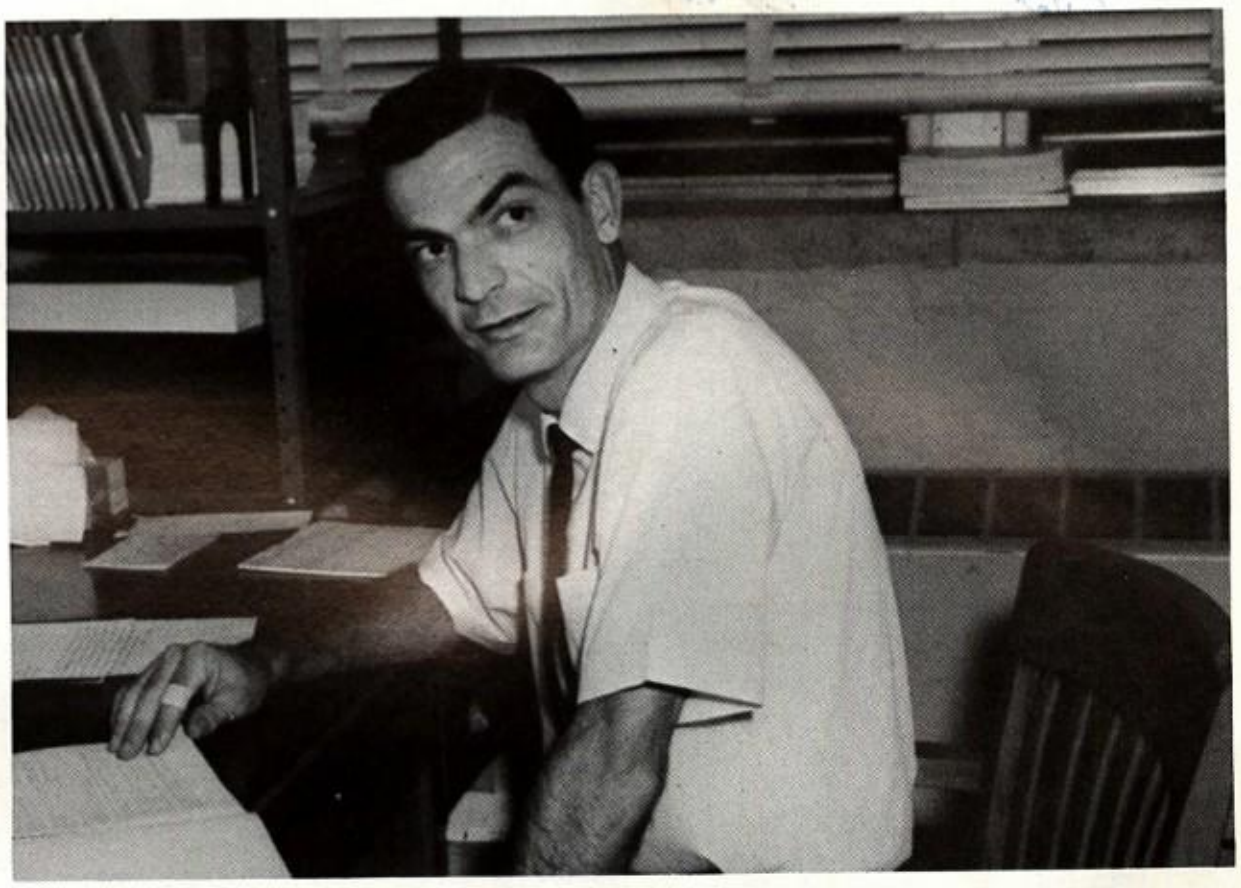
Mrs. D'Ella David

Guidance is an opportunity for a meaningful future, for a well-rounded education, for understanding oneself, for success.

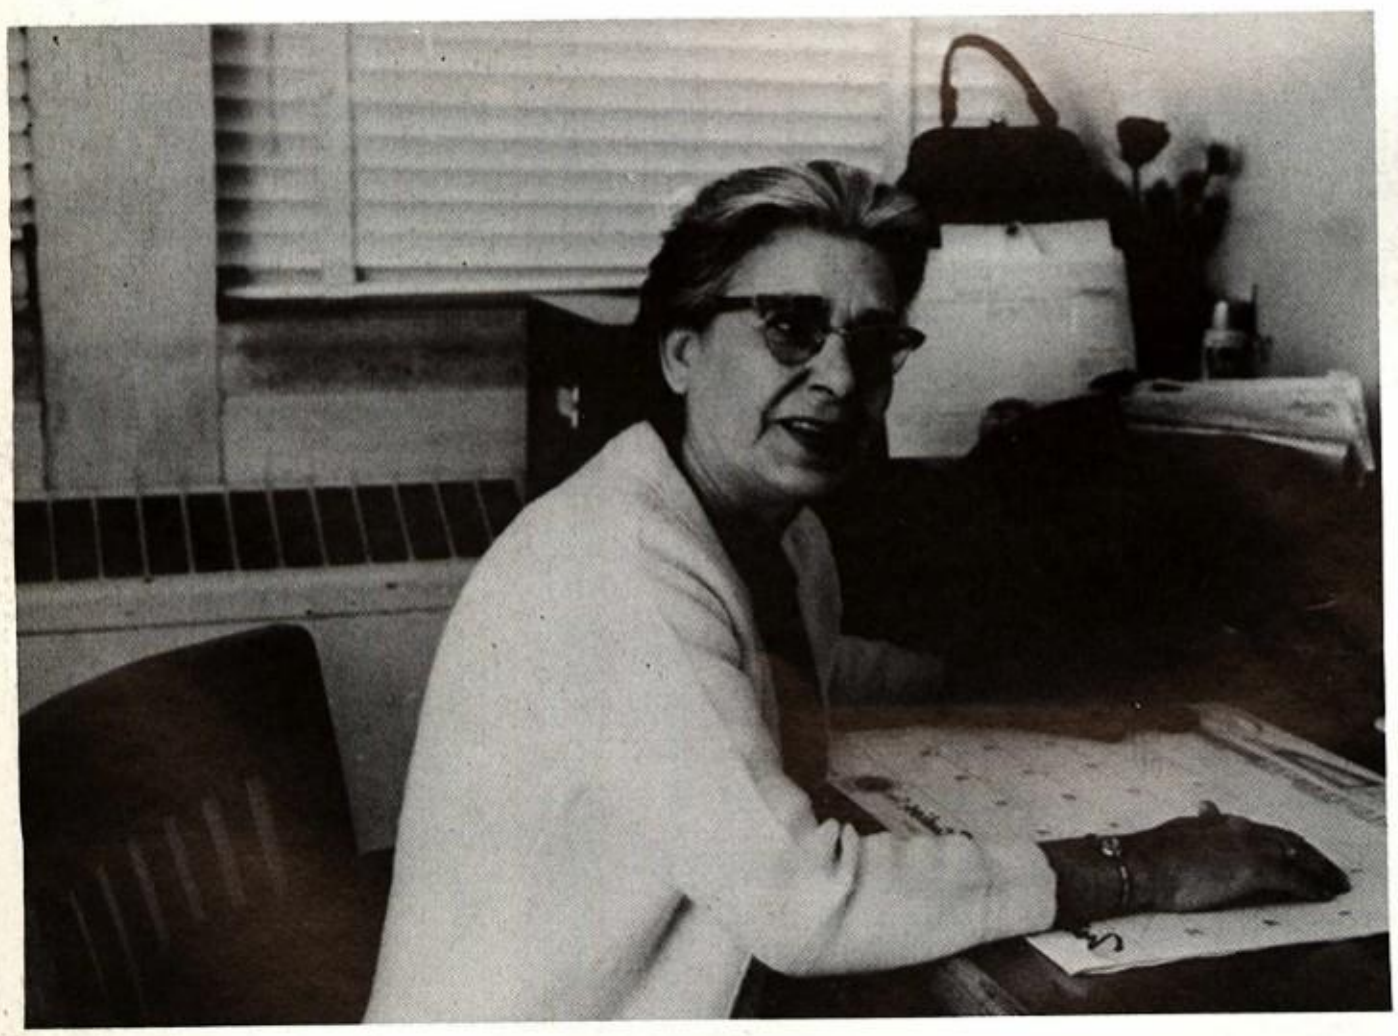
Whether the problem concerns a schedule or is purely personal, Mrs. David and Mr. Hebert tackle it with a purpose to solve. Administering testing programs and filing records of achievements are included in their services. The seniors are especially grateful for their efforts in helping them make the right choices concerning an occupation or a college education. The conscientiousness and faithfulness with which they perform their many services cannot be surpassed. Their assistance is truly worthy of notice and is greatly appreciated by all.



Mr. George Hebert



Mr. Hebert is always ready to perform a service for a student.



Mrs. David's ability and understanding help many girls through their high school years.

The Library Opens the Doors to a World of Adventure and Learning . . .

Miss Lillian Gauthier

Library Teacher

Universities across the country were asked what type of student makes the best college material. They overwhelmingly replied, "Give us a student who can read." Once a student can read with understanding, he can conquer any subject.

The library at Lafayette High is well equipped for informative reading and pleasure reading. It is in this powerhouse of knowledge that the works of historians, poets, scientists, novelists, and philosophers are stored. This wisdom bound in book form is available to any student who wishes to take advantage of the resources. The resourcefulness of the library is due to the competent, well-trained staff, plus the collection, variety, and up-to-dateness of its literature.

The realms of adventure, mystery, and discovery are open to any student, while the answers to intriguing questions are waiting to be uncovered.

Kent obtains advice from Miss Gauthier on finding sources for a report.

Students make use of the library during their study period.

English Lays the Foundation for Education . . .

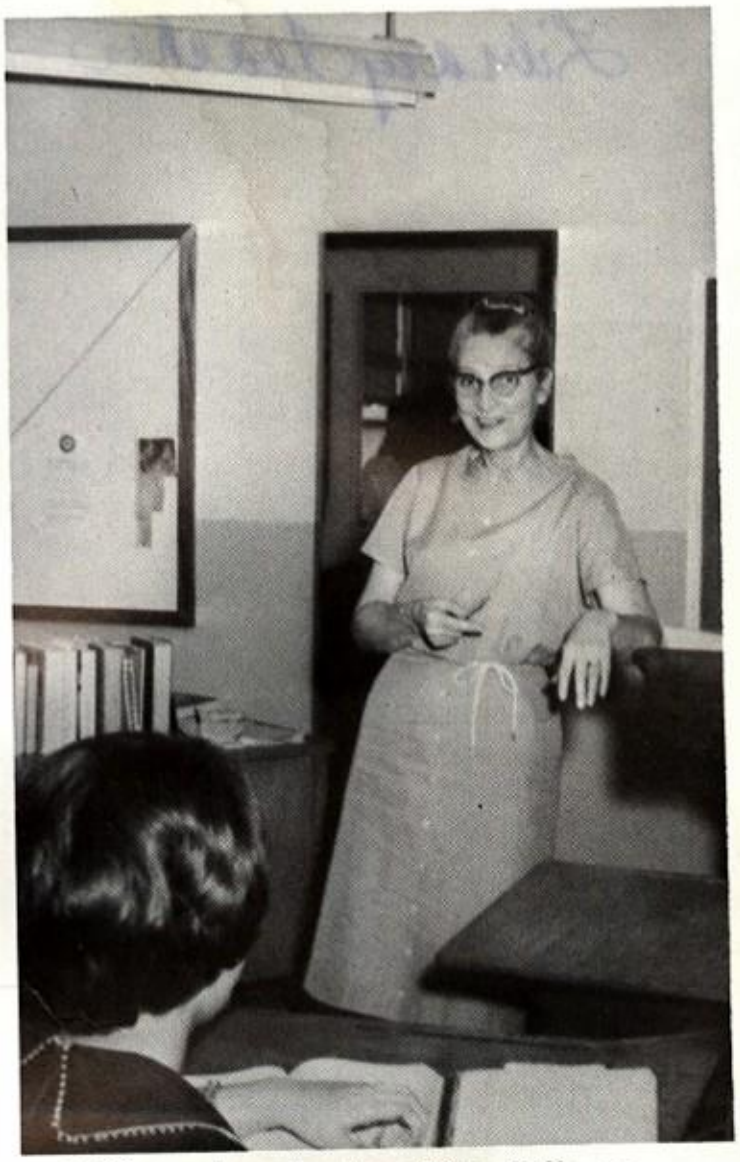
Mrs. Jane Skinner

Mrs. Alice Smith

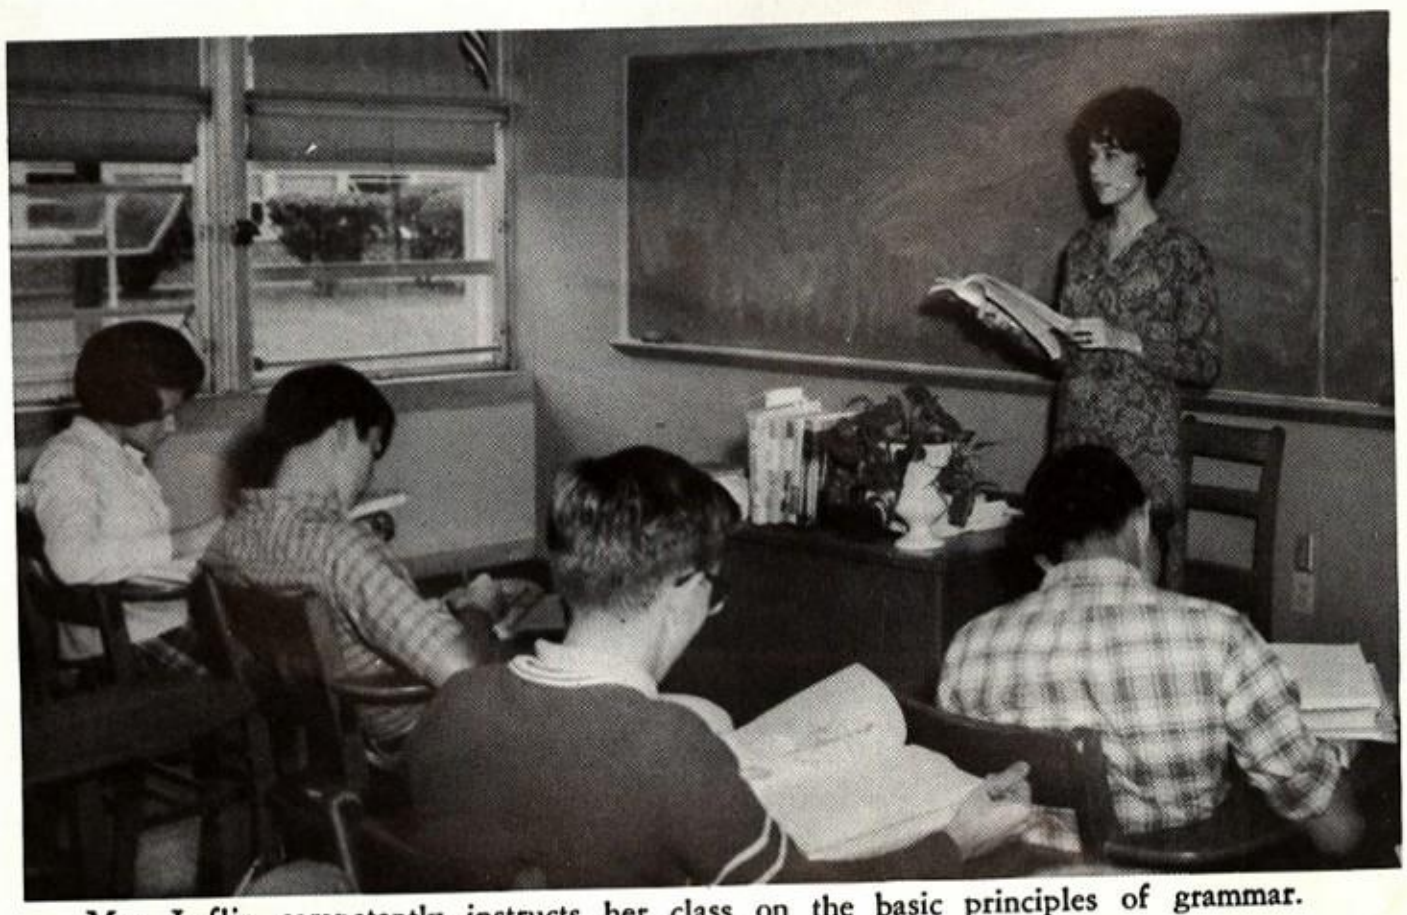
In building a house, a foundation is laid; in building an education, English is learned. Even as advanced as the world is in this age, English remains to be the basis of all knowledge.

As a student enters high school, he already has a workable knowledge of grammar. Rules of grammar are reemphasized, but rules are of no value by themselves; therefore, not only the rules are taught but also a manner in which one may apply them.

Grammar is the foundation of a study of English, but by no means is it all. Students are introduced to celebrated authors, taught how to communicate effectively by writing and taught how to comprehend reading selections.



With much enthusiasm Mrs. Belle explains a passage in literature.



Mrs. Loflin competently instructs her class on the basic principles of grammar.

Speech Leads to Effective Communication . . .

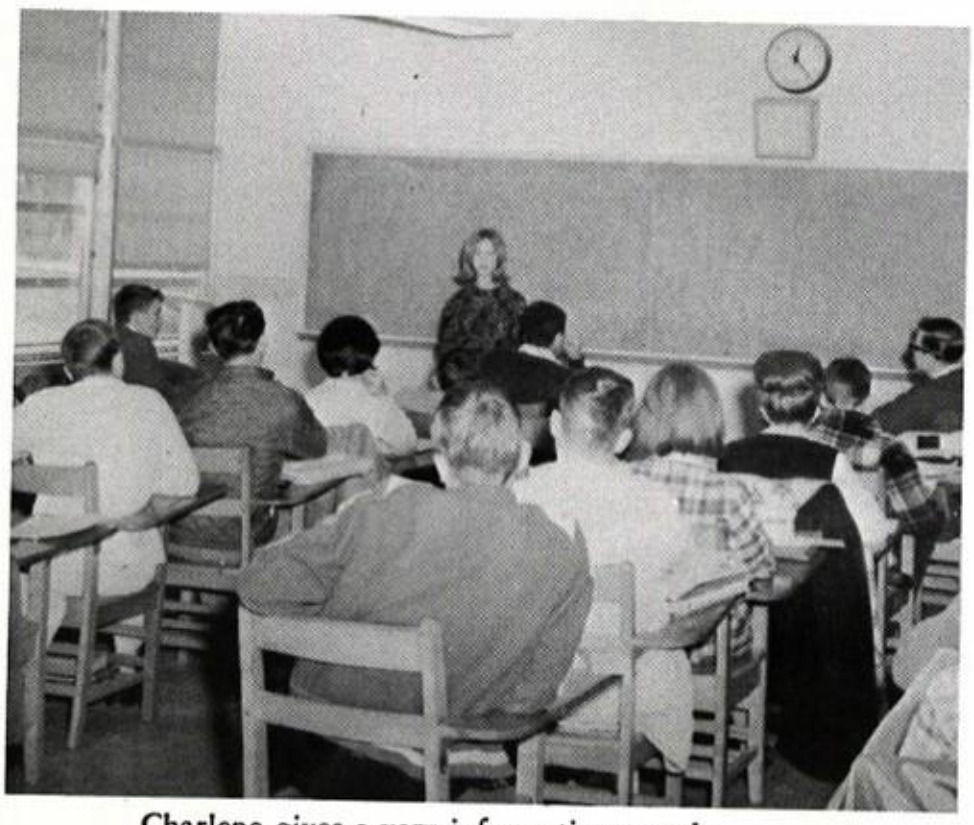
Junior debaters prepare for a coming tournament.

Mrs. Novalyne Ellis

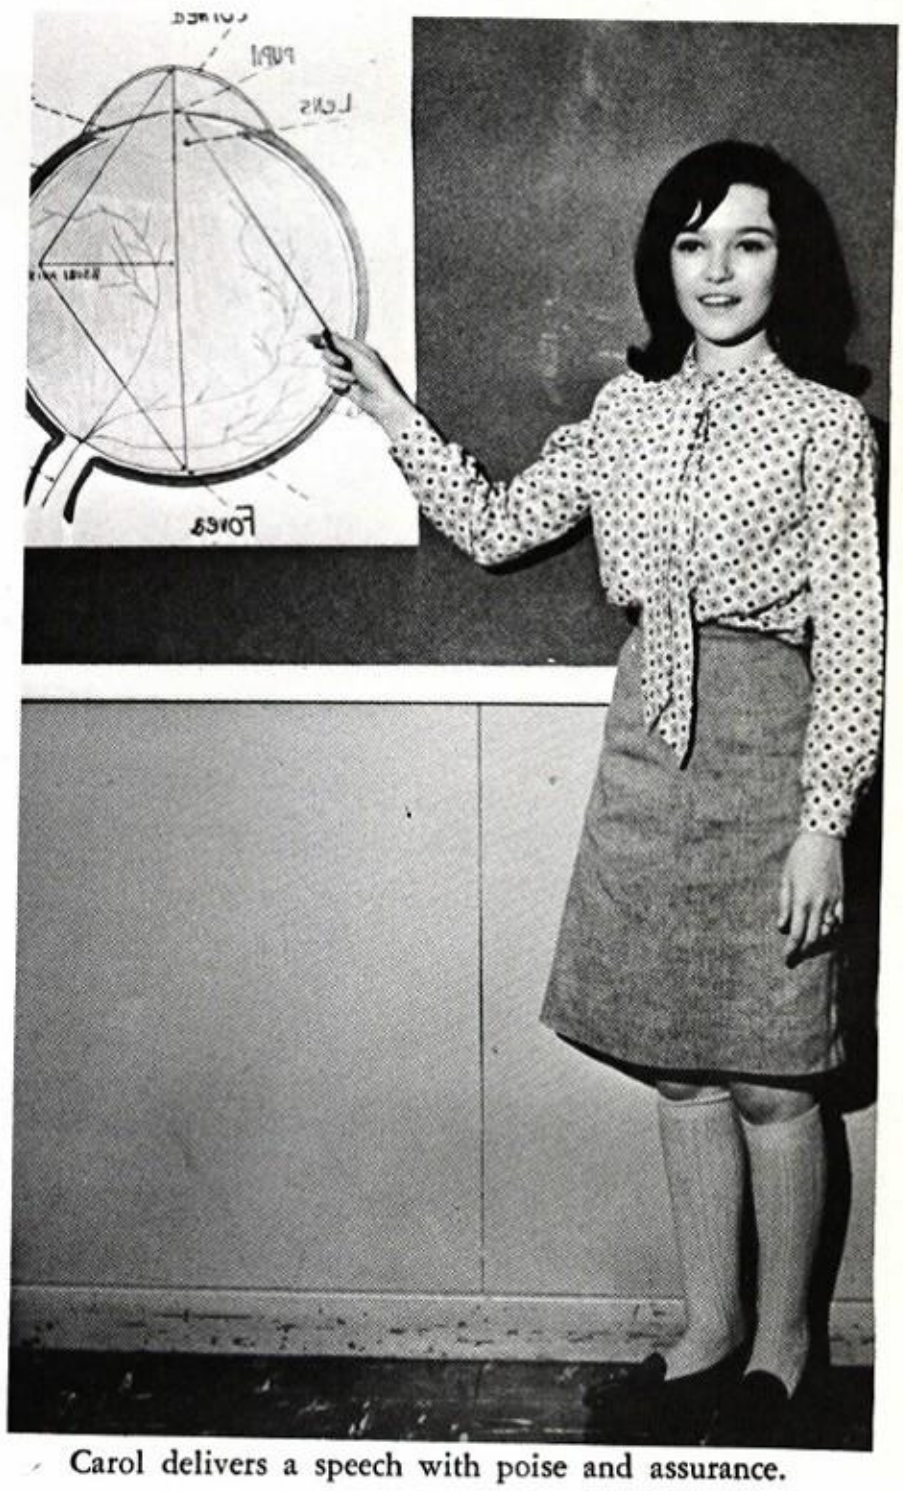
Mrs. Marie Carter

To be able to stand in front of a crowd and deliver a speech is an accomplishment of which most people would like to boast. Each student at Lafayette High is given an opportunity to develop this skill.

The art of being able to transfer one's thoughts and views into verbal expressions is taught in Speech I. The degree to which a student wants to develop his ability depends on him. The department offers more advanced courses, dramatics and debate. In drama the media of self-expression through plays and interpretative reading is explored. In debate a student's mind is made more alert, and he learns to be concise and exact.



Charlene gives a very informative speech.



Carol delivers a speech with poise and assurance.

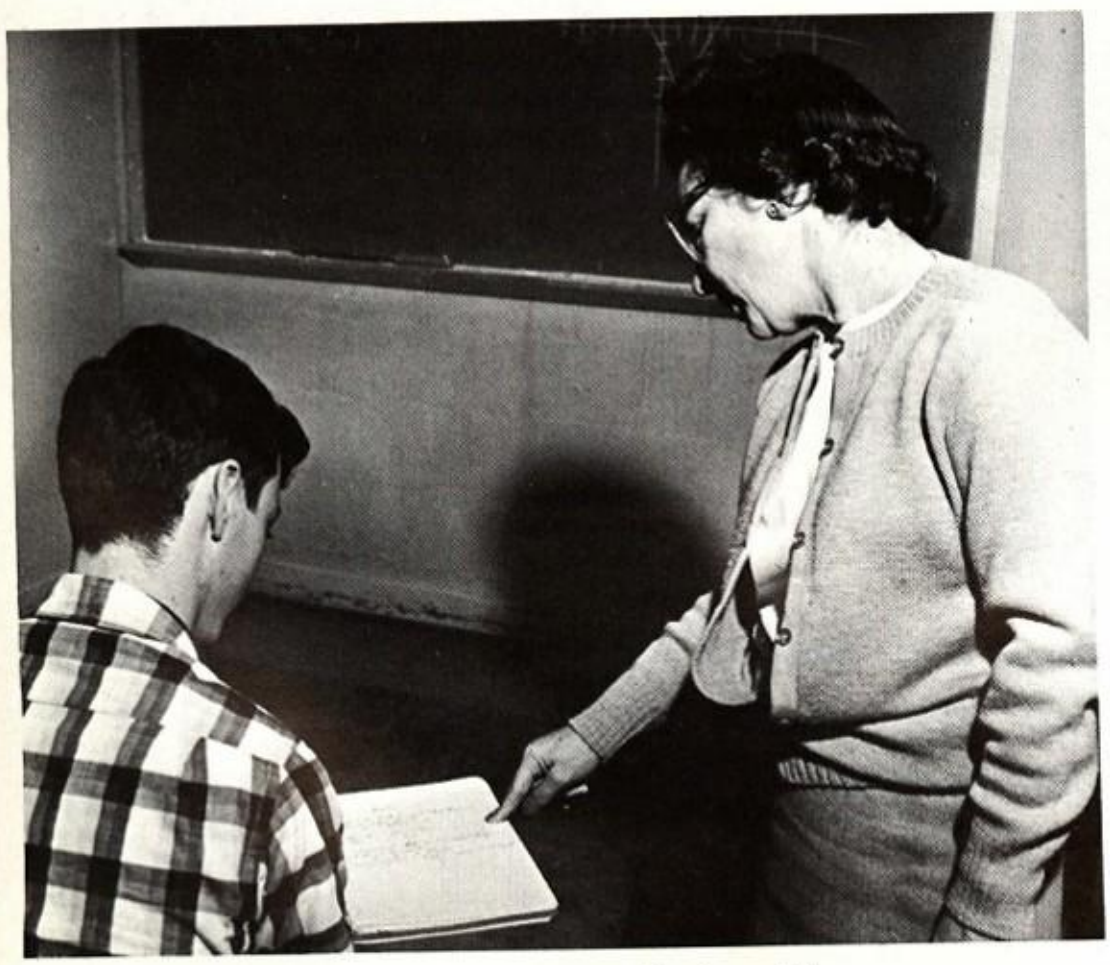
Algebra

Mr. Tom Sterling

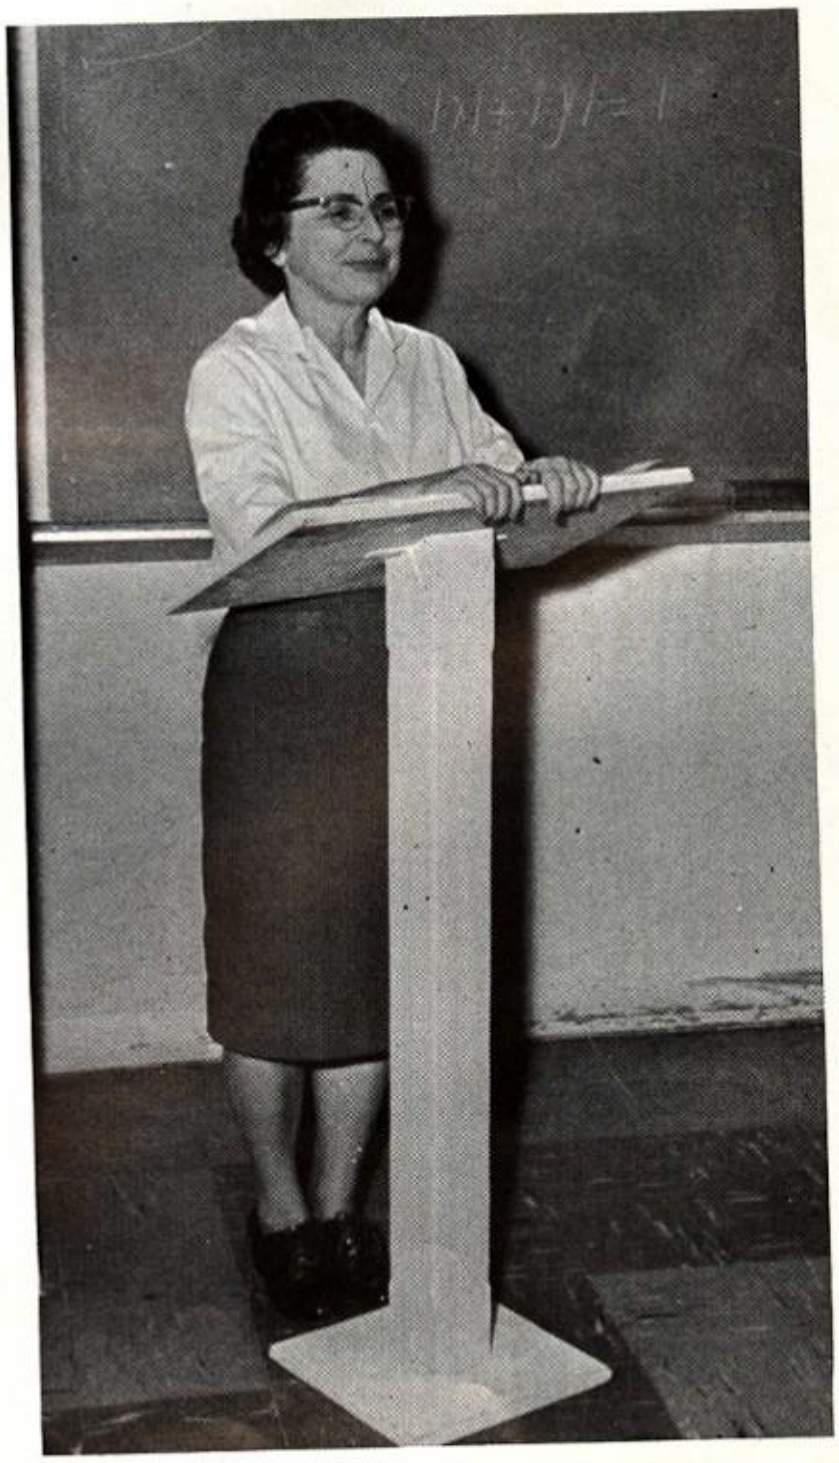
Progress cannot be halted. Mathematics is no longer merely one of the three R's. It is of great value in the highly technical world of today.

The space program, the output of computers, and the idea of automation, all require the technical skill developed through mathematics.

The subjects offered by the math department at L.H.S. are general math, Algebra I, geometry, Algebra II, Senior math, advanced math and trigonometry. Math is not only important because of the knowledge which one gains from the subject matter, but also because it trains a student to utilize his resources.



Miss Begnaud checks this student's problem.



Miss Begnaud watches the reaction to one of her typical "jokes."

Science Investigates the Wonders of the Universe . . .

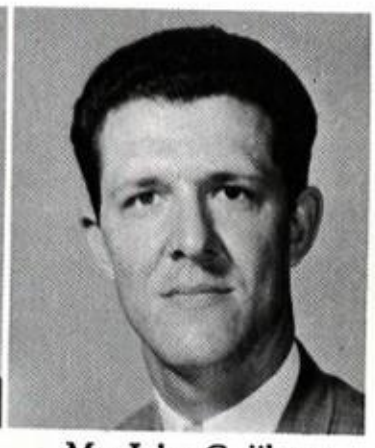
Mr. Antoine Hebert
Chairman

Mr. Steve Antoine

Mr. Charles Bennett

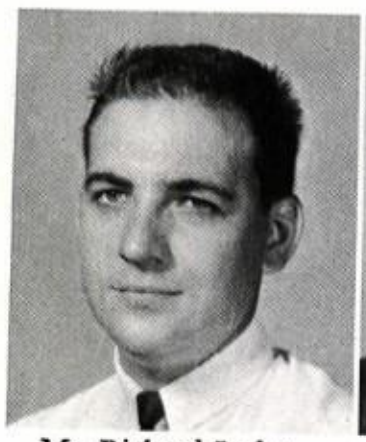
Mr. E. J. Concienne

Mr. J. D. Concienne



Mr. John Guilbeau

Because science plays such an important part in our lives in this day and age, a knowledge of science is essential to the well-rounded, well-educated adult. Through the study of science, each student is given an opportunity to investigate the wonders of the universe. In general science he will learn the fundamentals and basic facts of many branches of science; in biology he will study the plant and animal kingdoms and the human body. Chemistry includes the study of elements, chemicals, and compounds; physics, the highest science offered at L.H.S., is the study of matter and motion. Both the biology and chemistry departments have excellent laboratory facilities.



Mr. Richard Ledet

Social Studies Allows Posterity to Profit From the Past . . .

Miss Dorothy Blakely
Chairman

Mr. James Carter

Mrs. Florine Duhon

Mr. Frances Dupuis

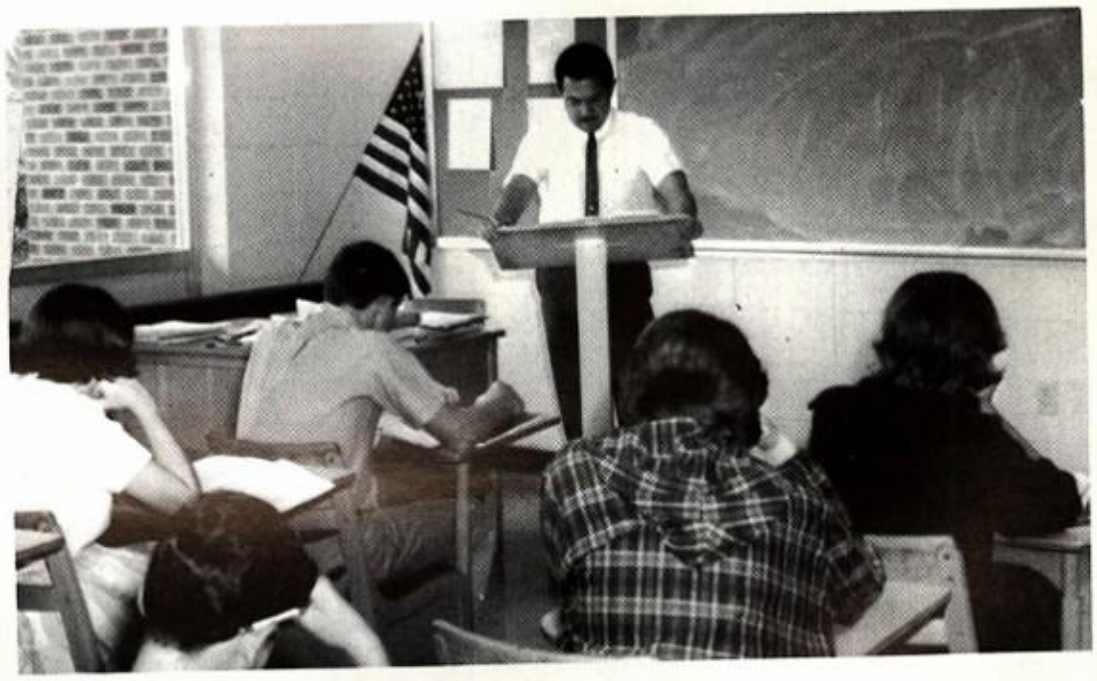
Mr. Antoine Kidder

Mr. James Purslow

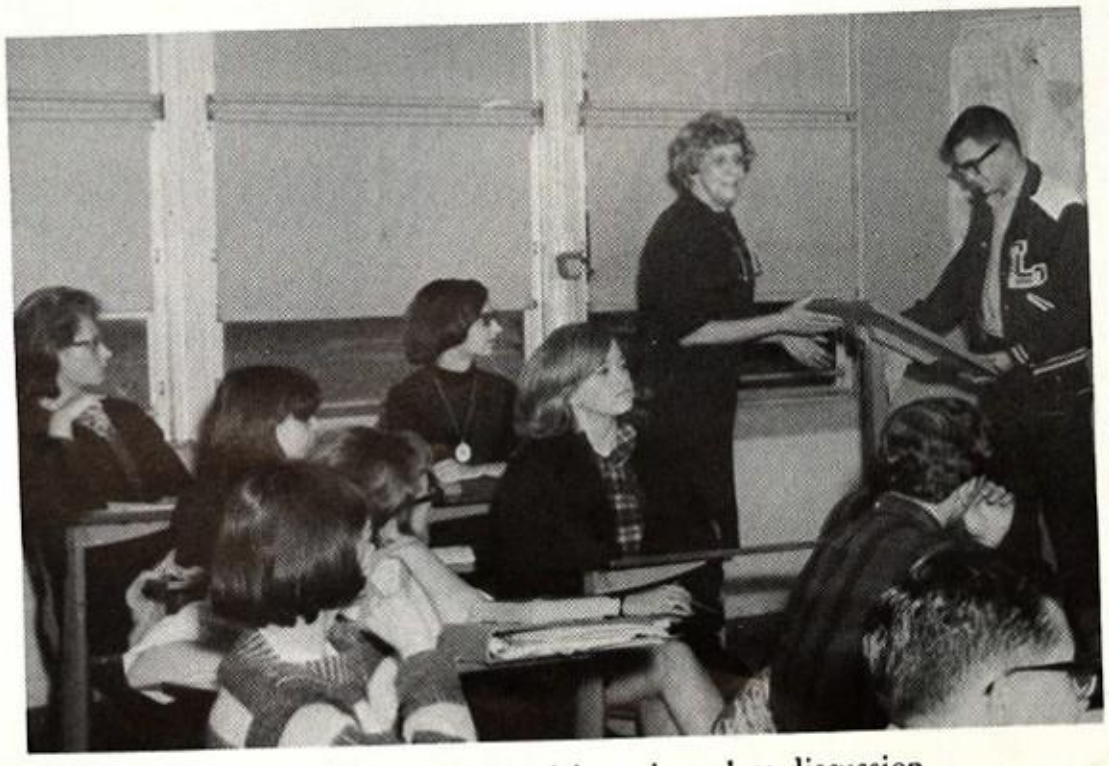
The idea that one may profit by knowledge of the mistakes and successes of others is indeed true. In the study of geography, students learn not only about the locations of different places, but also about the people who live there. Civics, which is required in the tenth grade, is the study of our government, and it also includes current affairs. Through the studies of world history and American history, one learns about the actions of different people, and about the reasons which made them act as they did.

Mrs. Alice Smart

Miss Blakely prepares a lecture for her next class.



Mr. Kidder delivers a daily lecture to his class.

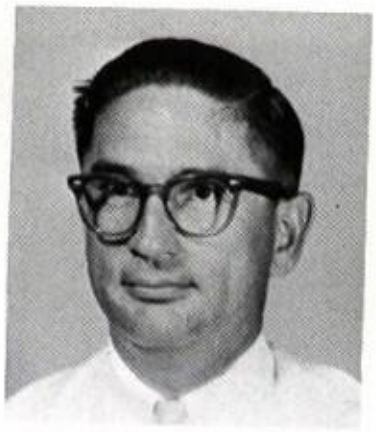


Mrs. Smart's students participate in a class discussion.

Foreign Languages Bring Harmony

Mrs. Ethel Burleigh

Mrs. Louise Mumpower



Mr. Raymond Roy

Mrs. Ruby Wortman

The students make excellent use of the foreign language laboratory.

Mrs. Burleigh points out the posters corresponding to the French monologue.

As the world becomes figuratively smaller, a knowledge of foreign languages becomes more essential to the continuation of peace, harmony, and understanding among the different nations.

The foreign language department at L.H.S. is concentrating more on the spoken rather than the grammatical language; however, the correct sentence structure is mastered by all. Both the French and Spanish students in the past have produced plays for rally in their respective languages. The Latin students learn about the development of words, and they learn how to translate freely. In each of the language courses, pupils study about the cultural and historical backgrounds of the people who originated their language.

French class is often amusing.

Home Economics

Mrs. Louise Oeser

Miss Alpha demonstrates the use of a pastry press.

The Home Economics department of Lafayette High offers excellent training to the "homemakers" of the future. The course is developed so that the students may learn the essentials—cooking, sewing, child care, good grooming, and etiquette. They also gain experience in household duties such as meal planning and preparation, buying, and budgeting. Three courses of regular home economics are offered. In addition, a fourth course in home and family living is made available to all seniors. If a person takes advantage of these excellent opportunities to become a well-rounded person, he is surely to get along better in the world.

Girls in Home Economics fit their patterns.

Dottie McCleod contributes to her Home and Family Living Class.

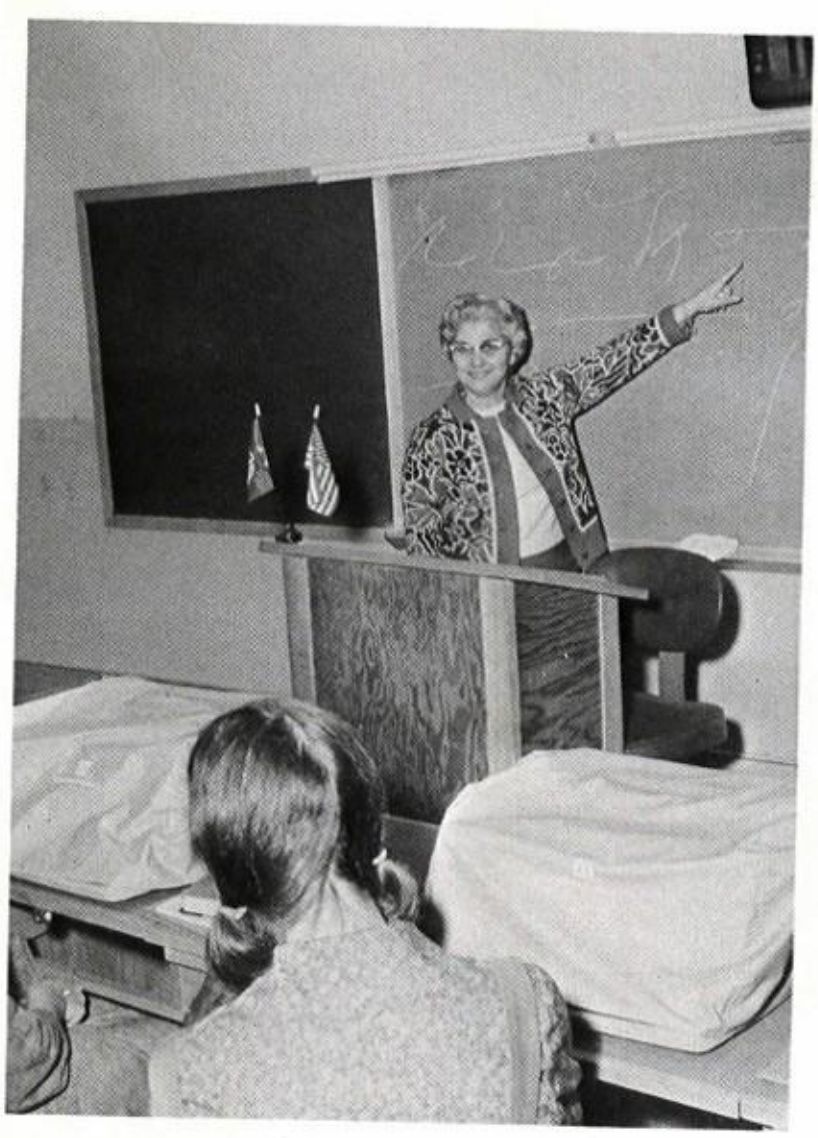
Mrs. Joyce Hatch

Mrs. Gay Miles

Miss Virginia Roussel

Mrs. Hatch explains a letter form to one of her students.



Mrs. Onebane points out a new phrase to her class.

For a person to acquire a job in the business world today, he must have first mastered the essential skills: typing, bookkeeping, and shorthand. To enter into a specialized field, a knowledge of accounting, business law, clerical practice, or general business is necessary. All of these courses are offered at Lafayette High. After receiving this training, the graduate is adequately prepared to face the business world.

Junior girls practice tennis skills.

Because of the great emphasis on physical fitness which is placed upon the youth of America, the Girl's P.E. department has acquired excellent standards. The variety of activities undertaken brings the department closer to its goal: to give each girl the opportunity to obtain physical fitness. Included in its program are courses in team sports, rhythmics, gymnastics, and track. Also, it offers a four-year course in health.

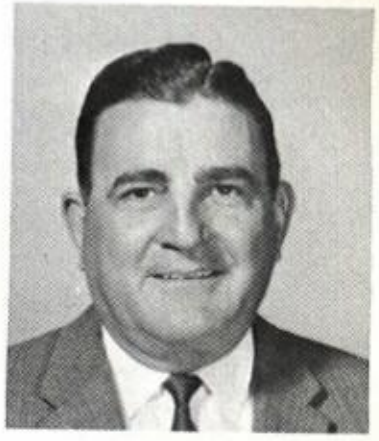
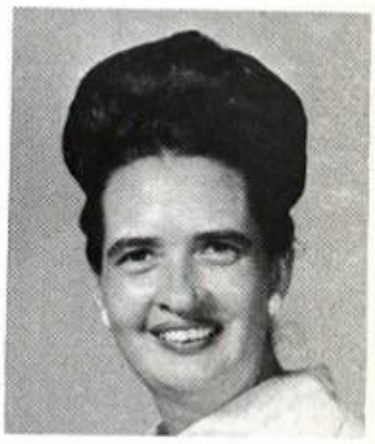
A Language Created by Music . . .

The beginners in band practice after school.



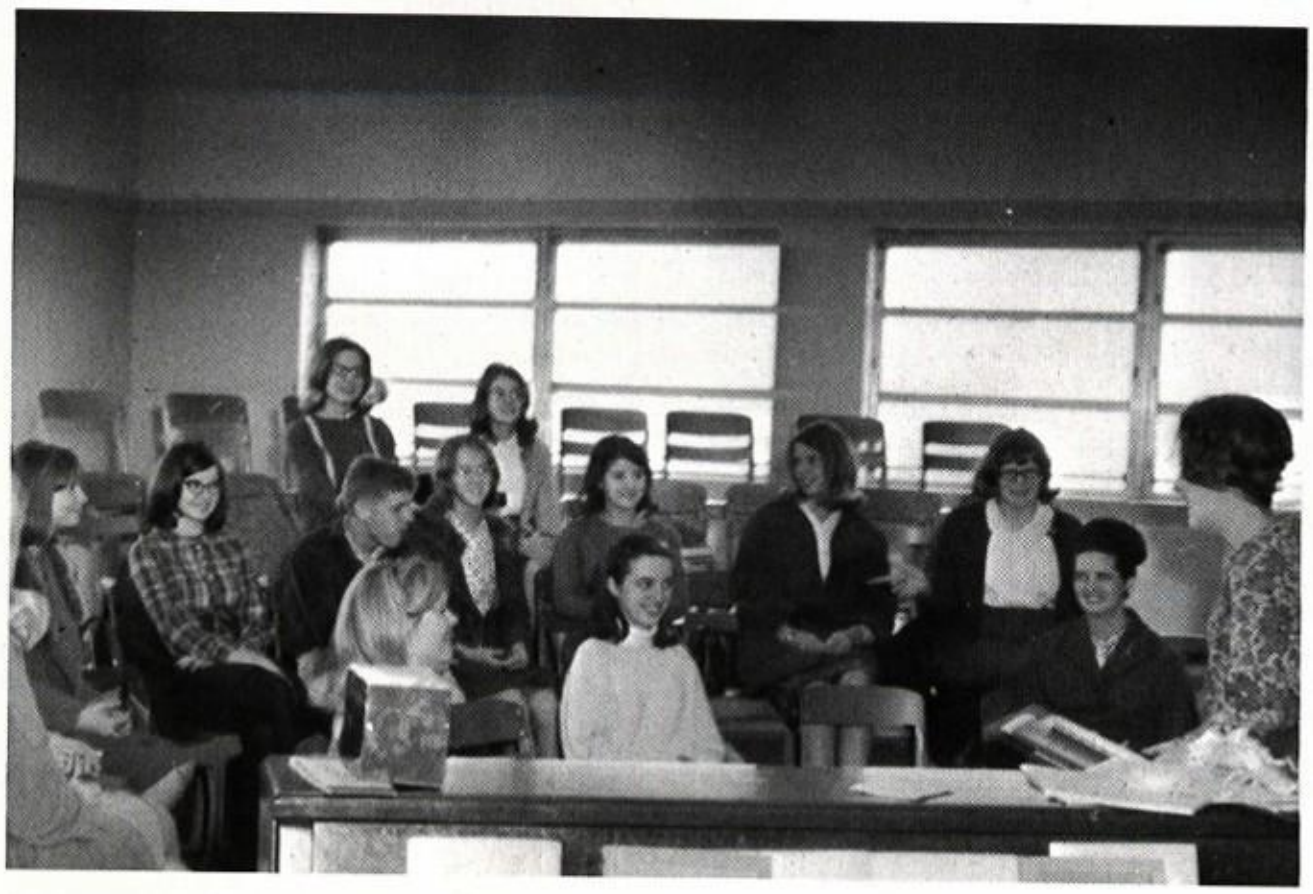
Mr. Harry Greig



Mrs. Doris Bienvenu

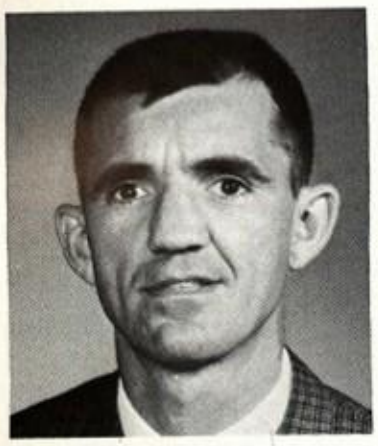
The music department, consisting of the band, the orchestra, and the chorus, is doing an outstanding job here at Lafayette High. The band has won festival sweepstakes for the past eleven years, and the orchestra has won sweepstakes for four years. Both of these groups are under the skillful direction of Mr. Harry Greig. The chorus is a fast-developing asset to Lafayette High. Mrs. Bienvenu is the director of the freshman, girl's, boy's and advanced choruses. She also teaches music theory classes.

Mrs. Bienvenu introduces a new student teacher.

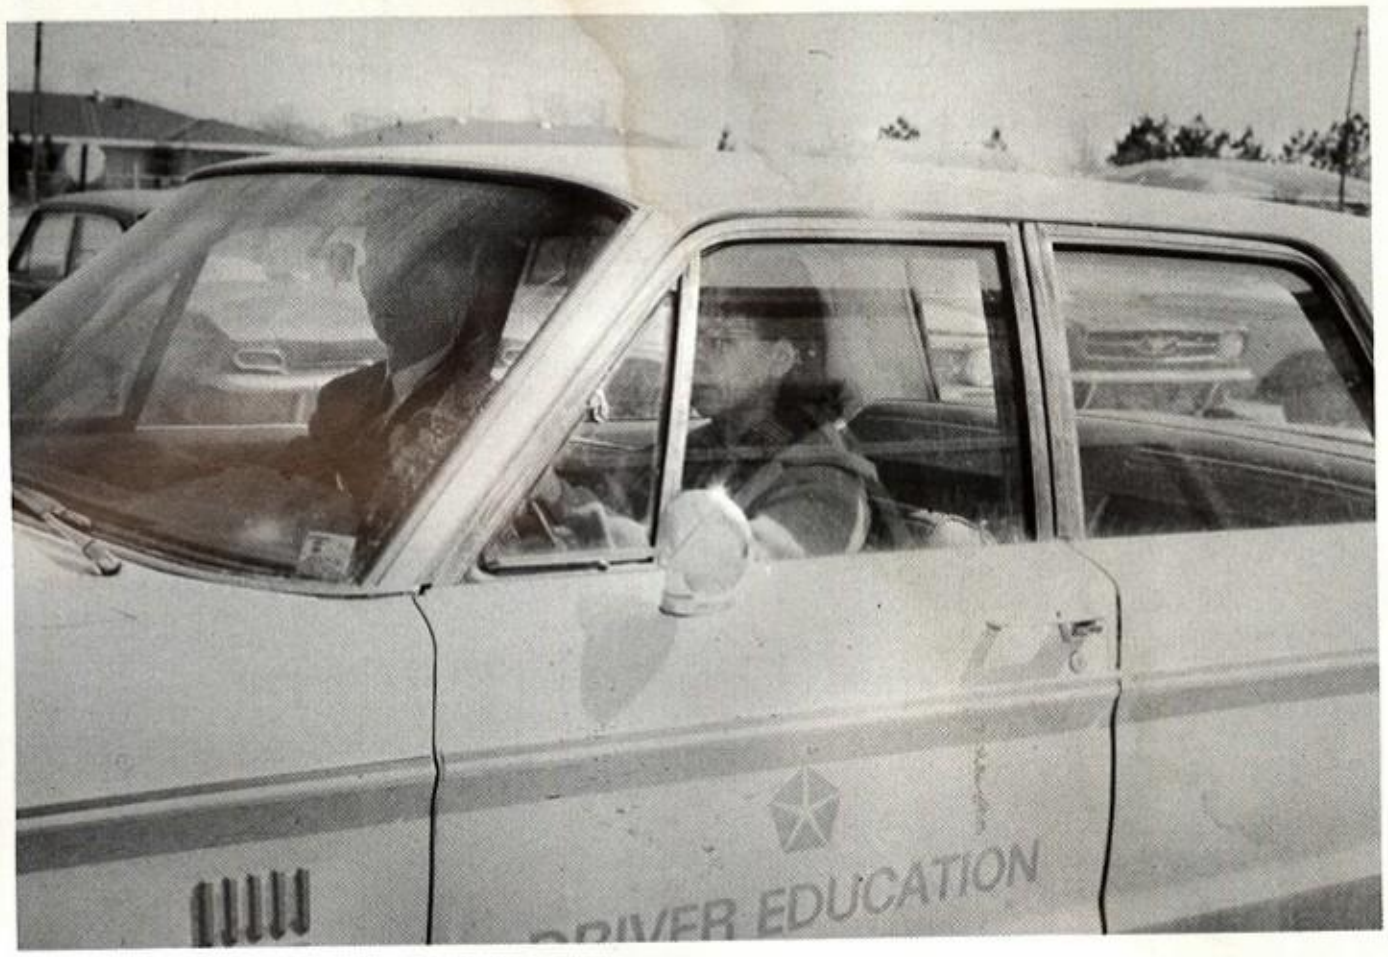


The chorus members discuss the list of songs for a program.

Drivers Education Promotes Better Driving . . .



Mr. Lucien Hebert



Mr. Hebert shows a student how to park correctly.

The main goal of Driver's Education is to train students to be safe, competent drivers. During the first six weeks of school, the students are acquainted with the principles of good driving through their class work in which the operation of the engine and defensive driving are stressed. When the class work is completed, each student has two weeks of actual driving under the competent supervision of Mr. Lucien Hebert. When the student completes this phase of the course, he is well equipped to face the many driving situations which he will encounter throughout life.

Mr. Hebert stresses the importance of safety belts.

Students receive last-minute instructions before getting into the car.

Art Yields an Outlet for Self-expression . . .

Colleen, Molly, and Susan are explaining the work behind them to the class.

Mr. Claude Guidroz

The study of art gives many students an opportunity for self-expression. In art students learn how to work with clay, oil paints, tempera, and papier-mache. Many art students are called upon to design and build the props and sets for school productions. With Mr. Claude Guidroz at the head of the department, it is no wonder that the Lafayette High Art Department is one of the best anywhere.

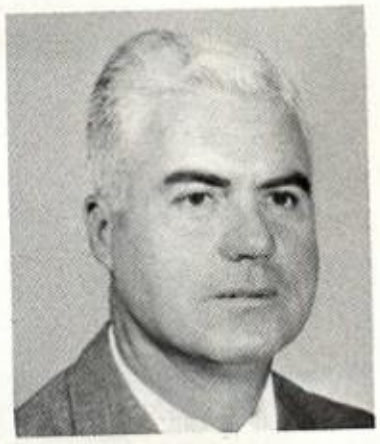
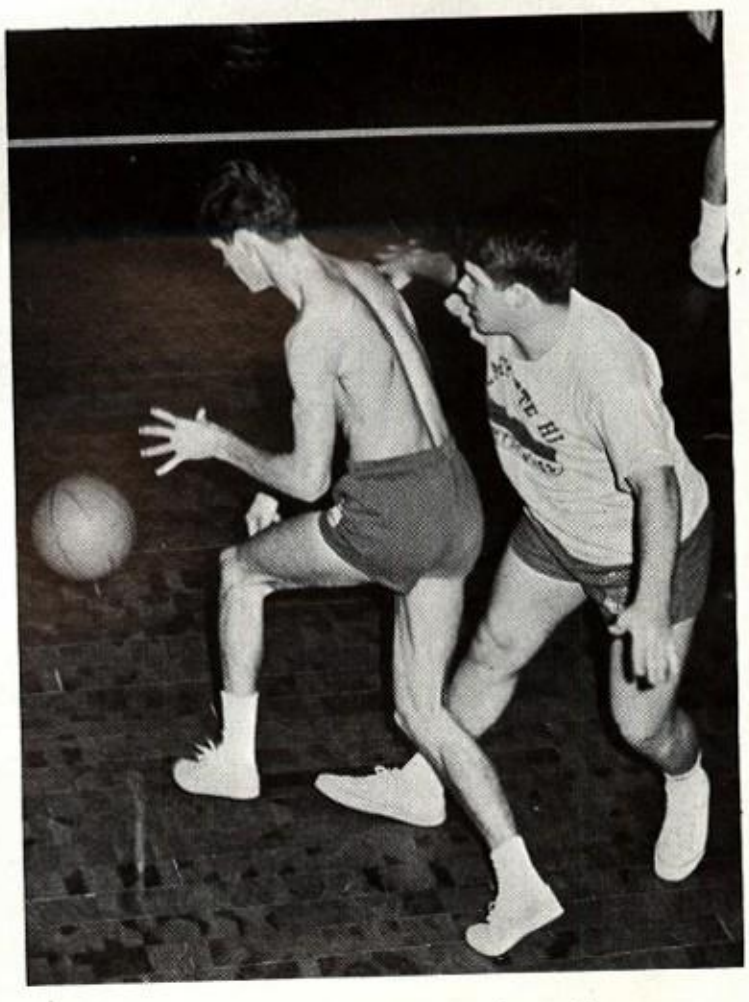
Robert Morris

To counterbalance the many departments which strive to further the minds of the students, the Boys' Physical Education Department aids each boy in developing a healthy body. Stressed in this department are sportsmanship and teamwork in every phase of physical education. Learning the basic skills of each sport, every boy has a chance to develop simultaneously his mind and his body.



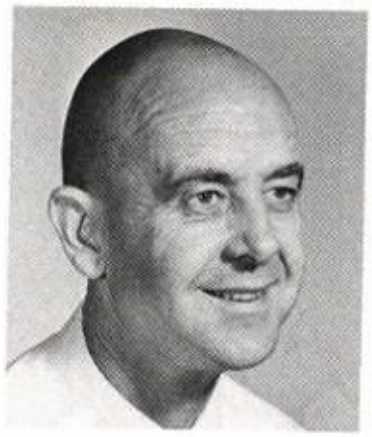
Al Simon

Exercises can be exhausting.



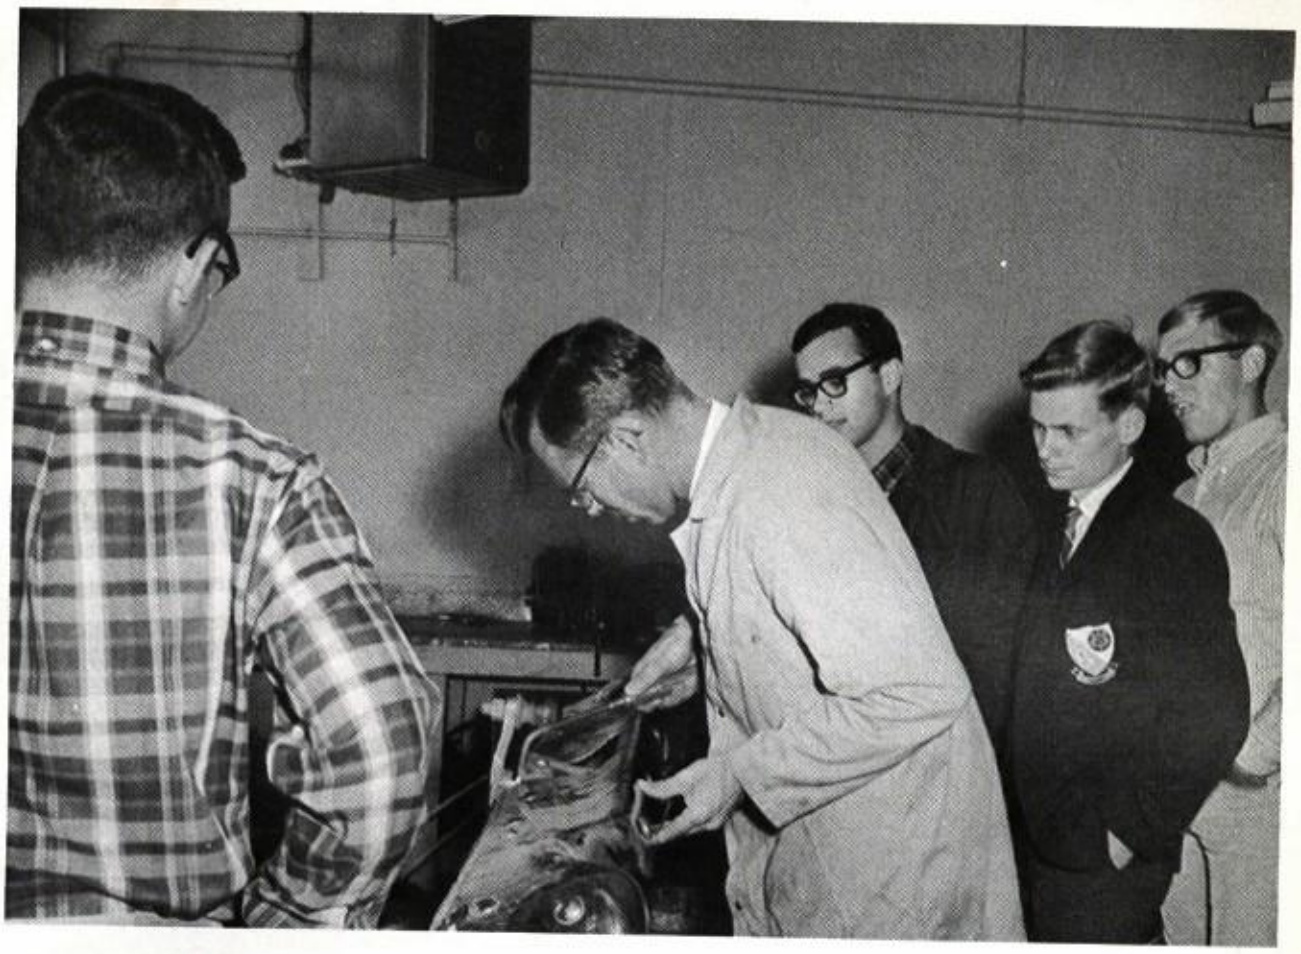
Tommy learns the art of guarding.

Industrial Arts Reveals Potential Ability . . .



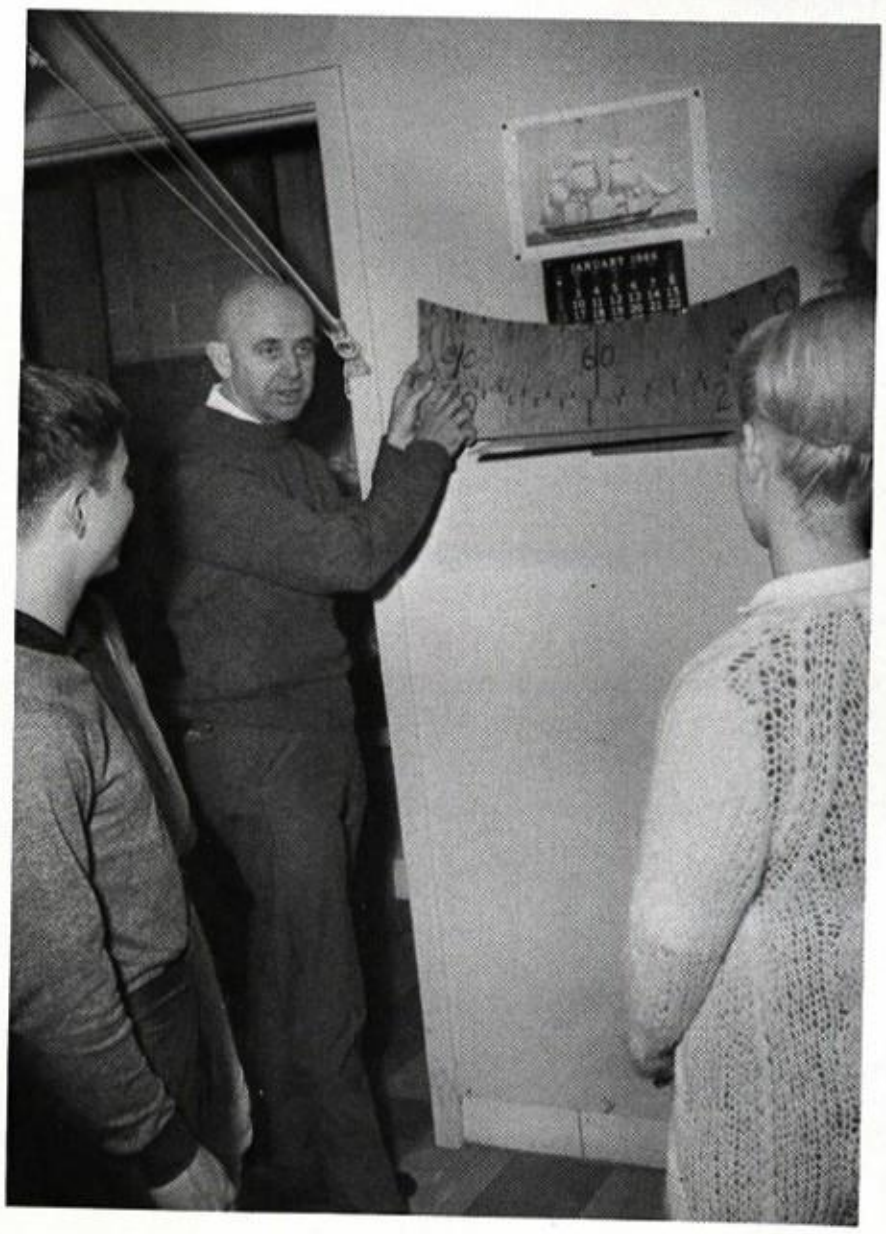
Mr. Hugh Wallis
Chairman

Mr. Robert Breaux

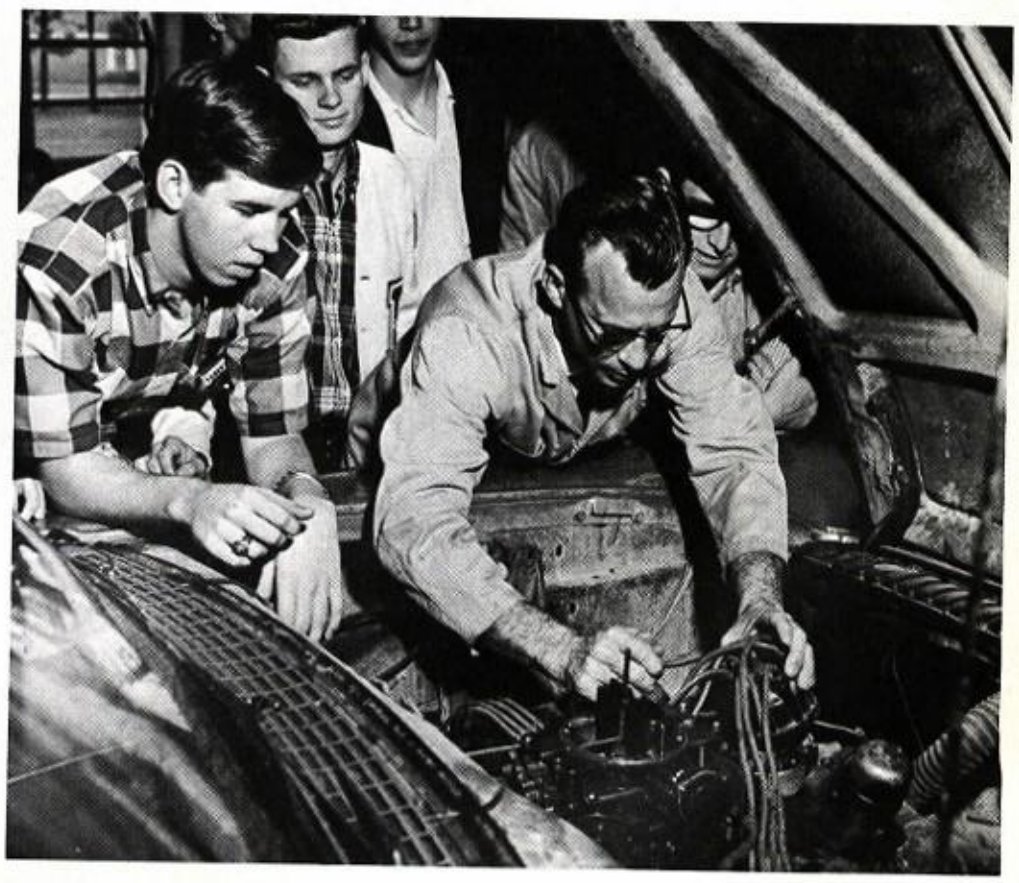


Mr. Breaux shows how to weld on a bumper.

Creating with the hands is a skill that every boy enjoys learning; therefore, courses in industrial arts are made available to him at Lafayette High. Taking advantage of this opportunity, the student is able to develop his potential. Under the supervision of Mr. Hugh Wallis and Mr. Robert Breaux each boy realizes his own capabilities while fulfilling his desires.



Mr. Wallis explains the difference between these two scales.



Mr. Breaux demonstrates some of the techniques of repairing an engine.

Freshman sweetheart, Jan Simmons, at Miss Merry Christmas Dance escorted by Chuck McMath.

. . . In Favorites . . .

The Favorites at LHS hold an impressive honor. These favorites are active in extracurricular activities and represent various phases of school life. Each club chooses a sweetheart to represent it at the Miss Merry Christmas Dance; the entire student body elects the LHS Court, which is composed of both boys and girls. Although the favorites are chosen for different presentations, these students possess definite, outstanding qualities. Among these qualities are spirit, poise, and personality. Not only are these students well liked by their classmates, but they are also highly respected by the faculty. Though they have varied talents and interests, each favorite strives to represent his school in the best way possible.

FOOTBALL . . . 1965

Determination, dedication, and teamwork were the elements which made the 1965 "Mighty Lions" champions! A team which many thought to be lacking in talent and ability, once aroused, became one of the finest football teams in the history of Lafayette High School. An excellent coaching staff helped to bring the Lions victory after victory, and with pride watched an obscure team become a championship team. Always striving for excellence on the gridiron, the Lions displayed a team spirit and sportsmanship equalled by none. Without these qualities, the team would never have been undefeated, untied District 2-AAA Champs or State AAA Semi-finalists. The winner of eleven straight games, the 1965 "Mighty Lions" became the first undefeated team in the history of L.H.S., in addition to being the best defensive team in the state.

Lions "Ruin" Baton Rouge's Hopes

From all so-called experts came the forecast of a dismal season for Lafayette's Lions. In the first game of the season the Lions found themselves faced with the 1964 State Champions and number one rated AAA team. The Lions were given little chance to win against the talented Baton Rouge Bulldogs, but teamwork and hustle brought the Lions their first 1965 victory.

One of the big factors in the Lions victory was the passing of quarterback George Coussan. George's passes, all of which were caught by sophomore end Raymond Mahfouz, came in key situations and accounted for one of the Mighty Lion's touchdowns. Complementing the passing game was the fine running of halfbacks Mike LeBlanc and Ross Brupbacher. Credit for the victory should also go to the defensive team which turned in a great effort. From this start the unranked Lions gained prominence in the state AAA ratings.

Northside "In the Hole" From the Start

It took less than fifteen seconds for the cross-town Northside Vikings to find out just how good the Lions really were. On the opening kickoff little Bob St. Amant ran for eighty yards and a touchdown. The Lions scored five more times but the damage had already been done. Ross Brupbacher continued the brilliant running which was later to make him an All-American. The entire Lion backfield found huge holes in the Viking line as the Lion's linemen continually blocked out the Northside defenders. George Coussan found the Viking secondary equally as weak as he was able to complete three passes for eighty-three yards. In all it was a very satisfying and impressive victory for Coach Rayford LeBlanc's Mighty Lions!

The Lafayette Mighty Lions crushed Pineville for their third straight victory of the year. Lafayette was headed by a powerful offense combined with alert defensive play. Mike LeBlanc and Ross Brupbacher were the outstanding players of the game with LeBlanc scoring three times and Brupbacher scoring twice. LeBlanc scored on a one-yard plunge and t.d. pass plays of sixteen and twenty-nine yards thrown by George Coussan. Brupbacher scored on runs of two yards and eighty yards. Ted Smith scored the other six points while Stan Broussard converted all extra points. This victory moved the Lions into no. three spot in AAA rankings and made them a definite threat for the 2-AAA district crown.

The Lions ran their winning streak to five consecutive games by knocking off New Iberia 21-7. The Lions, rated second among the AAA ranks, scored twice in the second quarter and then matched New Iberia's lone touchdown in the fourth period. Halfback Mike LeBlanc went over from four yards to prod the Lions toward victory. Ted Smith's forty-yard run accounted for another tally; followed by a 16 yard touchdown pass from George Coussan to Phil Dismukes. New Iberia got on the score board with only two minutes left. Stan Broussard added three extra points. Ted Smith was the leading ground gainer with seventy-eight yards in six carries. Mike LeBlanc carried the ball for fifty-four yards and Charles Moncla for forty-five yards.

The Mighty Lions, ranked second in 2-AAA football, made a dramatic comeback to knock off the Bolton Bears. This was Lafayette's sixth victory in a row and their fifth district win. The Bears scored in the first quarter to lead the Lions 7-0. But showing the poise of a championship team, the Mighty Lions scored on a three-yard plunge by George Coussan to climax a seventy-three-yard drive. The big play of the night came when Coussan hit end Phil Dismukes on a seven-yard TD pass to complete the scoring for the night. Mike LeBlanc was the leading rusher with fifty-seven yards followed by Ross Brupbacher with fifty-four yards. This was a very big victory for the Mighty Lions in their drive for District 2-AAA title.

Lions Set Stage for Tors by Blanking Redemptorist

Quarterback George Coussan hit for two touchdown passes to spark undefeated Lafayette to a 14-0 victory over Redemptorist of Baton Rouge. This was Lafayette's revenge for the beating they took last year from the Wolves.

The Lions drove 64 yards in the second quarter for the first score with the key plays being a pass from Coussan to Ross Brupbacher and an 11-yard completion to end Phil Dismukes for the score; Brupbacher added the P.A.T.

The Lions marched 94 yards in the closing minutes of the game; Coussan again connected with Dismukes for a 6-yard scoring aerial. Mike LeBlanc and Brupbacher were the rushing leaders with 101 and 92 yards, respectively.

Lions "Uproot" Sulphurs

The Mighty Lions defeated the Sulphur Tors who were rated as the no. 1 team in the state and became the winner of the 1965 2-AAA crown and a berth in the state playoffs. An overflow crowd of 7000 people watched as All-American Ross Brupbacher racked up 150 yards rushing. On the first drive the Lions took the ball on their own 38-yard line and moved it to the one-yard line of the Tors with Brupbacher and Mike LeBlanc picking up most of the yardage. Then George Coussan sneaked it over for the score. The extra point was wide and the Lions led 6-0. Then on the kickoff a Tor ran it back 81 yards for the tying score and the extra point was good. The Lions now were behind.

But all the power, the hard work, the character and the desire to win was put into the last half as the mighty Lions came from behind and won the district championship. Brupbacher carried the ball down the field some 70 yards in 4 carries and then LeBlanc dove over for the winning score. The game ended 12-7. This was the first time Lafayette High has won the district championship in football since the district was started. Truly this has to be the greatest game ever played by any Lafayette High team in the history of the school and the greatest victory a school has won in the Lafayette area for a long time.

Mike LeBlanc prepares to sweep end.

LaGrange Gators "Swamped" by Lions

The Mighty Lions finished their season with a perfect 9-0 record and did it with a spectacular victory. For the first time in the history of the school Lafayette won the district crown, beat LaGrange, and was rated number one in the state AAA rankings.

An all-star catch by Charlie Moncla handed the Lions a 14-7 victory. The Lions, headed by the running of Ross Brupbacher, Ted Smith, and Mike LeBlanc, were enough to handle the Gators in the first half. But a stout defense which held off the Gators on the two-yard line in the second half saved the Lions from costly and heart-breaking game.

Ross Brupbacher scored the first touchdown on a twenty-six yard fumble recovery return. Moncla scored on his great catch and Stan Broussard added both the extra points. This victory is the one most Lafayette High fans will remember for it brought the city glory and proved that, indeed, the MIGHTY LIONS are CHAMPIONS.

Ross Brupbacher and Bob St. Amant sparked the Lafayette Lions to class AAA quarterfinals by helping down the Lee Rebels 13-0. Brupbacher scored both touchdowns and was the game's leading rusher with sixty yards in thirteen carries. St. Amant came up with two key interceptions and a fine punting average.

Lafayette got its first break with a little less than two minutes left in the first half when the Lee punter got a bad snap from center and was chased back to the one-yard line. Brupbacher hit pay dirt on his first try. Early in the fourth quarter St. Amant intercepted a Lee pass and was downed on the thirty. Brupbacher scored again from the six. This once again proved the superiority of the Mighty Lions.

Lions "Bomb" West Jefferson

The Lafayette High-West Jefferson game became the highlight of the AAA season. No other game was as publicized as this clash between the two undefeated teams. Both teams were equal in personnel, so the deciding margin would lie in the other things which make a team: desire, hustle, and spirit. It is in these categories that the Mighty Lions displayed why they were continual victors. George Coussan's touchdown pass in the first quarter went 50 yards to Charles Moncla. Ross Brupbacher added the game-winning extra point. All-district end Jim Segrist broke through to block the West Jefferson extra point attempt and preserve the Mighty Lion's victory.

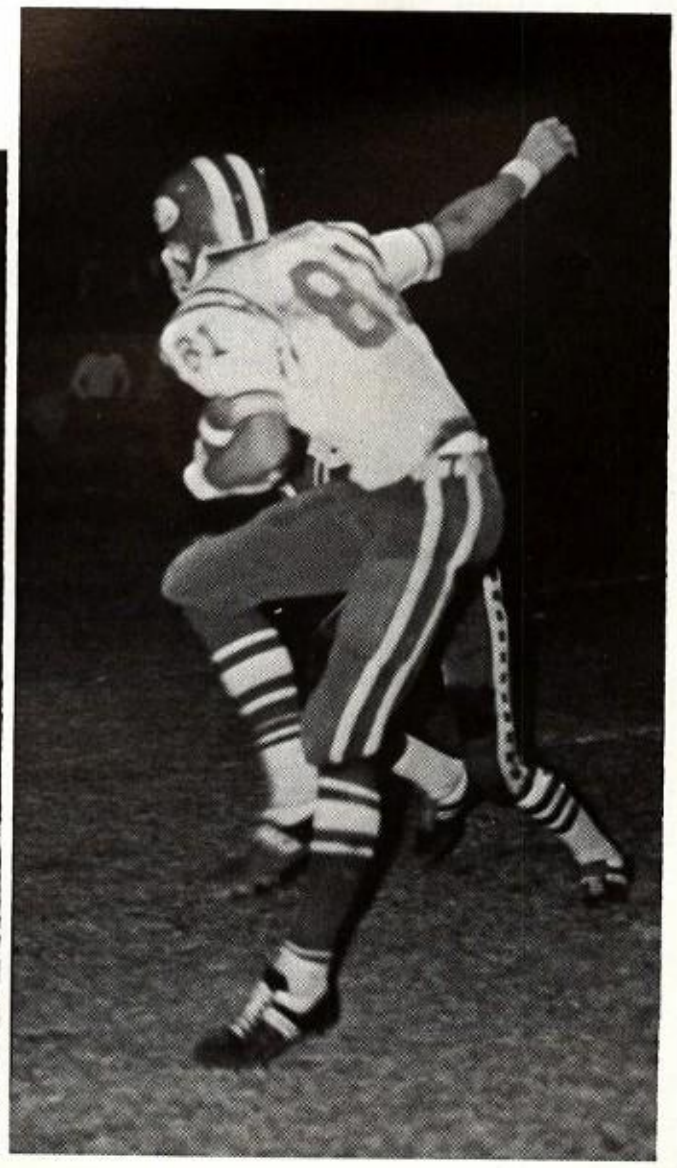
Woodlawn "Rips" Mighty Lions

The Woodlawn Knights handed the Lions their first loss of the season and ended their eleven-game winning streak. George Coussan scored in the first quarter on a two-yard run. The final score of the season came in the final quarter when Coussan hit Phil Dismukes on a thirty-five yard pass play. Ross Brupbacher gained 140 yards in this State Semi-final game while Stan Broussard scored one extra point.

Ross stopped by a host of Knights.



Dismukes catches T.D. pass from Coussan.

Lafayette High's MIGHTY LIONS started their basketball season on a dismal note, losing to South Terrebone 63 to 41. Victory after victory followed that first bitter note as the MIGHTY LIONS went on to compile an excellent 29-7 record. As in football, no other team in the history of Lafayette High School had ever managed to win so many games.

Lafayette dropped its opening game to Sulphur, a game which cost them the District 2-AAA Championship. After the Sulphur game, the Lions were never quite able to catch the District Champion, Bolton Bears. At the end of the season the Lions were forced to defeat the LaGrange Gators in a playoff to gain a berth in the State AAA Playoffs.

The MIGHTY LIONS entered the playoffs having revenged their defeats to South Terrebone, Sulphur, Bolton, and LaGrange. In their first playoff game they revenged another previous loss to the Istrouma Indians by narrowly defeating the Indians 61 to 60. McDonough High of New Orleans easily fell to the conquering Lions, and it was off to the State Finals in Shreveport.

In the semi-finals the MIGHTY LIONS rallied to defeat the St. Aloysius Crusaders and avenge another loss. The finals found the Lions playing a team which they had previously defeated. However, Jesuit of New Orleans came back in the second half to steal the crown from the Lions. The MIGHTY LIONS had once again failed to gain the elusive State Championship. However, nobody would ever forget their outstanding play, their hustle, and their never-say-die attitude.

Lafayette's MIGHTY LION track team completely dominated the track scene in Southwest Louisiana in 1966. The Lions won ten of the twelve track meets which they entered, placed second in one, and third in the State AAA track meet. Highlighting the MIGHTY LION'S track season were victories in the Royal Purple Relays, the Bolton Relays, the Oil City Relays, and the District 2-AAA track meet. In the Royal Purple Relays the Lions took first place over many talented Texas teams, in the Bolton Relays the Lions took first over the State Champion Bolton Bears, in the Oil City Relays the MIGHTY LIONS displayed their abundant, talent before an enthusiastic home crowd, and in the District 2-AAA track meet the MIGHTY LIONS repeated as District Champions.

A great deal of credit must go to Coach Jack Baker who continually offered encouragement to his talented team. His team must be truly considered as one of the greatest track teams ever assembled at Lafayette High. During their season the Lions established or tied seven school records. The hard work and long hours of practice which each member of the team devoted truly exemplifies the spirit of all MIGHTY LIONS!!!

Lafayette completed a highly successful athletic season by capturing the highly coveted State Golf Championship. This marks the second consecutive season the Lafayette Linksters have won the state crown, and is another example of a sport which the Mighty Lions have come to dominate.

A record of three wins, two seconds, two thirds, and a fourth place finish easily displays the tremendously successful season. With two State Championship golf teams in a row, the MIGHTY LIONS will no doubt be feared by their opponents in the coming 1967 season, and no doubt they will react like MIGHTY LIONS by bringing continual honor to Lafayette High School.

The Lafayette High School Student Council has many aims and objectives which it accomplishes through its varied activities. The most important of these aims is stated in the definition of a student council—an organization of students elected by other students to represent them and, in doing so, to learn about and actively participate in democratic processes. Students are able to prepare themselves for their places in a democracy by assuming roles of leadership in high school and by practicing citizenship now. It is essential that this preparation be an integral part of the curriculum.

All of the other student council activities have a definite purpose. To promote school spirit, transportation is provided for out-of-town games; to offer students school supplies and snacks, a bookstore is maintained. In all its projects the Lafayette High Student Council has the student in mind.

Encouraging scholastic excellence, the Lafayette High School Honor Society includes as members all sophomores, juniors, and seniors who have attained a 3.75 grade average. Each year, in early winter, an honors program is held to recognize these students. The Honor Society officers conduct this event, as well as an Honor's Day program held in late spring. All undergraduate students who have made outstanding achievements are presented certificates by the four officers. Although there are no extra-curricular activities in Honor Society, the senior members are especially recognized by being seated on the stage on graduation night. Assisting the Honor Society with its programs are the sponsors Miss Dorothy Blakely and Mrs. May McBride.

In our modern society of space travel, computers, and other advanced sciences, mathematics becomes a most important and necessary high school subject. The Math Club strives to further students' interest in mathematics and to introduce and demonstrate to them the more complicated phases of mathematics through lectures by guest speakers or the members themselves. To join the club, which is under the sponsorship of Miss Lurnice Begnaud and Mr. Paul Long, a student must have a "B" average in his mathematics courses.

This year the club became affiliated with Mu Alpha Theta, the National High School and Junior College Mathematics Society; and several members attended the convention in New Orleans. During February the charter members of Mu Alpha Theta were presented certificates of membership at a formal initiation, and the associate members were recognized.

One of their projects this past year was to collect a box of food and send it to a needy family at Christmas time; another one of their projects is to award annually a scholarship to a club member in recognition of her outstanding service.

Included in their activities is a tea which is given in honor of the new Les Amies members. Invitations are extended to the members, to their mothers, and to the women faculty members. The girls accomplish all of this with the assistance of their sponsor, Mrs. Genoa Carpenter.

Serve with integrity, the 1965-1966 international theme of Key Clubbing, was the slogan of Lafayette Key Club during the school year. Throughout the year, the forty-one members busied themselves with projects in service to themselves, the school, and the community. While maintaining a 3.0 grade average, they busily concerned themselves with such projects as the citywide Hemophilia and Vietnam Soap Drives, the Key Club Vaudeville, and the Mr. and Miss LHS Dance. They hosted the First Annual Division Seven Meet attended by five area clubs. In April they attended the LaMissTenn District Convention in Biloxi, Mississippi. There the members entered several contests including the oratorical, impromptu essay, scrapbook, and achievement report contests. They also presented a candidate for Division Seven Lieutenant-Governor and LaMissTenn District Governor. Though both boys were narrowly defeated, the club returned to Lafayette with first place prizes in the impromptu essay and oratorical contests.

As a small model civic club, the 4-H members develop themselves to become better citizens of their community. Each member is required to take part in at least one of the various programs offered by the club, and competition is held locally for the members to present their projects. Under the sponsorship of Mr. Frederick, monthly meetings are held at which time guest speakers talk on topics of interest or present demonstrations.

The Parlez-Vous, the LHS newspaper, has completed its twenty-ninth year of production. Each year it has strived to bring news of the school to the students in order that they may enjoy their school life more fully. Juniors and Seniors who enroll in newspaper journalism make up the staff. This year *The Parlez-Vous* was awarded a rating of superior at the Louisiana Scholastic Press Association Convention on the LSU campus. It was the only AAA paper to receive such a rating.

The Lafayette High Lionettes, clothed in bright kelly-green uniforms, are one of the main features of every Lafayette High football game, at home or out of town. During the games, the girls make known their enormous amount of enthusiasm by spirited cheers; and at half-time they march onto the field accompanied by a brisk cadence and perform routines to such tunes as "Java," "The House of Bamboo," and "Fancy Pants." Much preparation and hard work precede every Lionette performance, and they truly strive for perfection. When the football season is over, these girls cheer the Mighty Lions' basketball team on to victory by attending all the home games and many of the out-of-town games. Sponsored by Mrs. Martin and Mrs. Ducharme, the Lionettes have proved to be a very worthwhile organization.

Semper Amici is an organization whose members are dedicated to serving others. After they were initiated, this year's Semper Amici girls honored their "big sisters" with a breakfast—their first project as a club. During the past year, these girls have engaged in various projects such as, collecting food and clothing for the needy, selling doughnuts, and providing plants for the patio. None of these projects, however, could have been accomplished without the assistance of the two faculty advisors, Mrs. Dena Breaux and Mrs. Nedra Clay.

During the 1958-59 and 1959-60 school years, because of the outstanding work done in debate and other forensic activities, Lafayette High School was granted a charter for the establishment of the National Forensic League—in the fall of 1960. For many students it is the pinnacle of their high school career. For others it opens the door to opportunity and success. But the greatest value of membership is the encouragement and incentive it gives each student to become an effective speaker and hence a more successful and more influential citizen.

Thespian Society Enhance

This choral speaking group rated excellent at the McNeese rally in the performance of "This is Louisiana."

Kathy's cousin Donald Garry, a professional actor, visited the class to discuss movie personalities and acting.

Again this year, the Lafayette High School chapter of the National Thespian Society sponsored a series of Readers' Theatre productions. The purpose of these productions, which range from solo performances to choral speaking groups, is to make literature a meaningful experience for listener and reader alike.

The year's programs began with Dr. Harley Smith's reading of the poetic play "In April Once." Mrs. J. P. Owen, Sr., reviewed the delightful book "Up the Down Staircase." The third production was "An Evening of One Act Plays" given by the members of the Thespian group. On the fourth production drama students collaborated with such professionals as Mrs. Owen, Dr. Smith, and Mrs. Ann LeJuene in order to present the beautiful and compelling "Jesus, Son of Man" by Kahlil Gibran. The last program of the series was entitled "This is Louisiana," in which the history of Louisiana was told in poems, dramas, and stories. The high point on this program was a performance by the choral speaking choir.

Sara, Jackie, Barbara, and Jeannie perform in *Where Shakespeare's Ladies Meet.*

Sabra Steinhorst was a Spanish dancer in "This is Louisiana."

# of Their School Years

During a break in the Taylor Publishing seminar hosted by *Lion's Din,* students leave the auditorium for refreshments.

The intent of the *Lion's Din* is to represent the Lafayette High student body in all phases of school life. This annual publication captures spirit in all forms—on the football field, in the class room, at pep rallies, and at other school activities. Along with trying to have the book portray spirit, the staffers have tried to compile it into a book of memories. They have tried to perpetuate school life—the good times, the bad times, the happy moments, the sad ones, victory and defeat. The book is of value only to its subjects—the students and the faculty. In addition to the *Lion's Din's* usefulness to the students, the members of the staff receive excellent training in various phases of journalism which serves as an excellent foundation for further journalistic endeavors.

Carol Coulter represented *Lion's Din* as sweetheart in the Miss Merry Christmas Dance.

This year Lafayette High School was honored to have eleven National Merit Scholarship Finalists of which three became National Merit Scholars. The National Merit Scholarship Program is conducted by the National Merit Scholarship Corporation, an independent, nonprofit organization established in 1955. This program combines a nationwide search for talented youth with a number of services designed to increase financial assistance for able students. It seeks to encourage all students to perform to the maximum of their abilities and to help them better understand their own educational development as an aid in making educational and vocational plans.

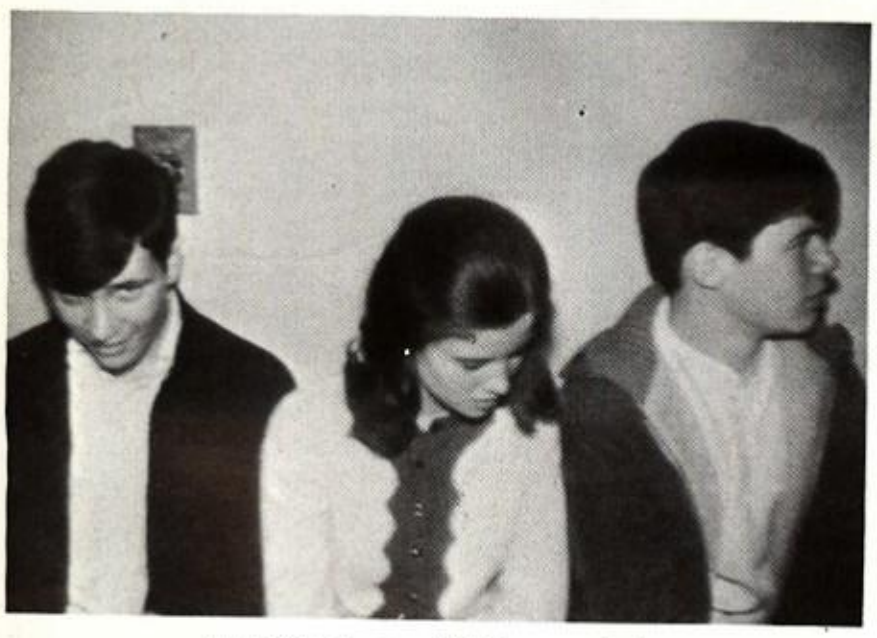
"Mrs. B" is that you?

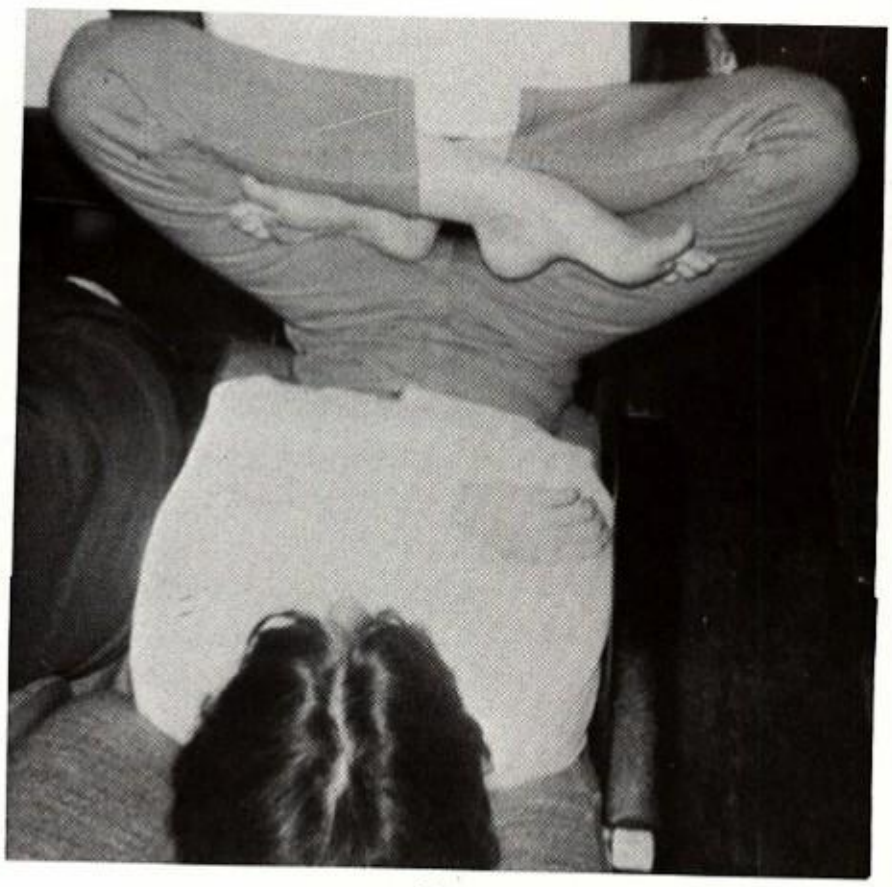
I'm sick and tired of you students in the hall at 5th hour!!

Mouth full Betty?

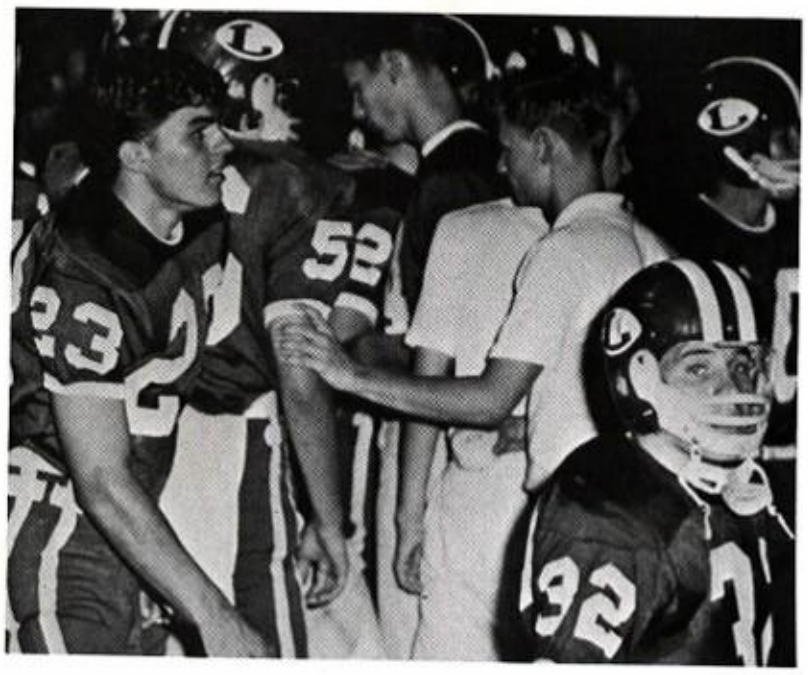
Times have changed!!



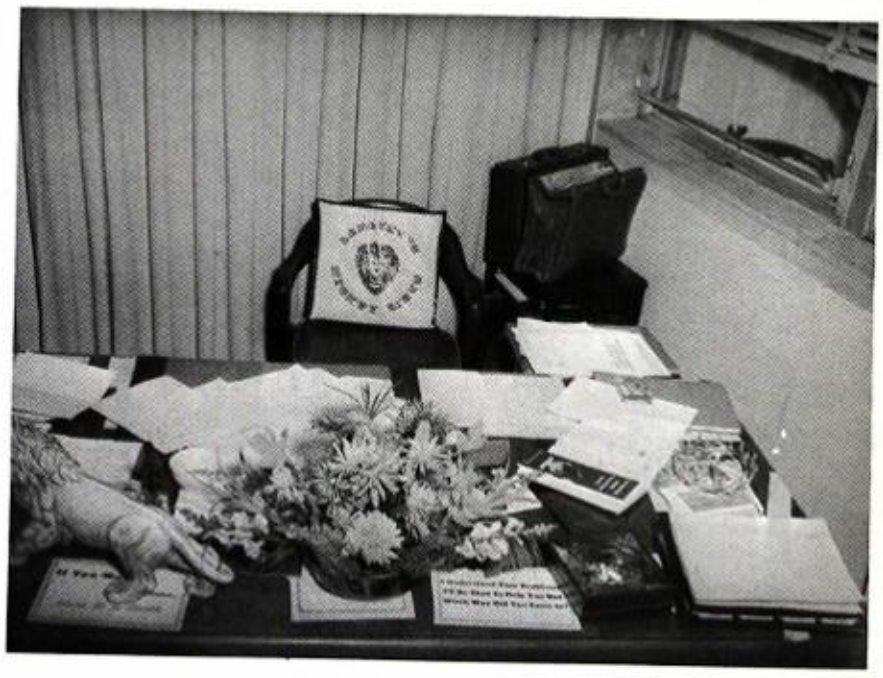
Don't look now, We're caught!



???

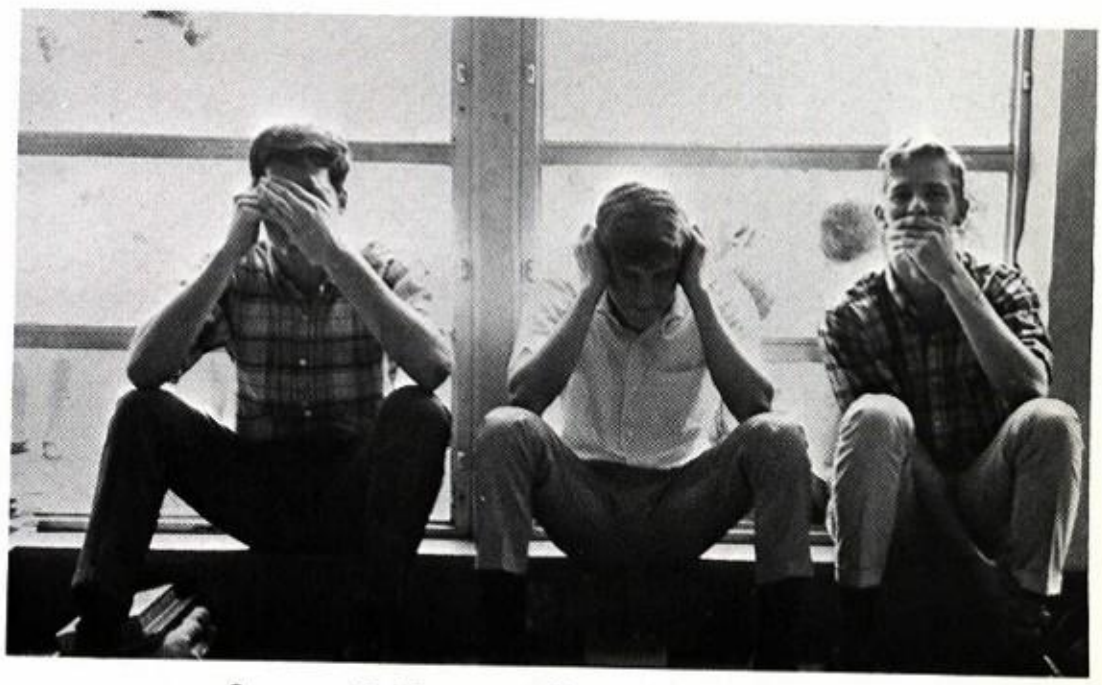


I can't believe it! We REALLY did beat Sulphur.

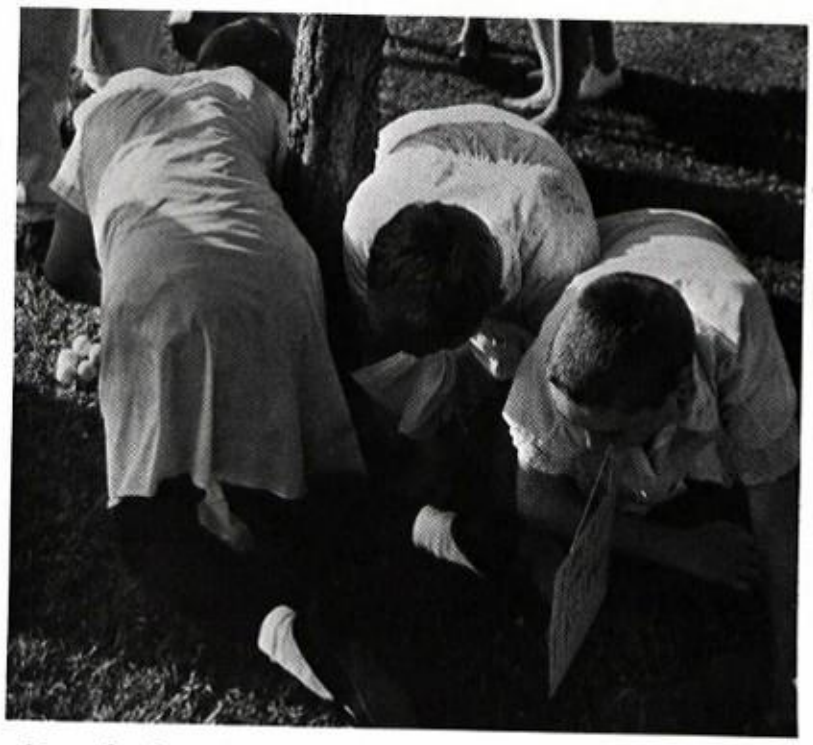


Organized Confusion.

New boy tries out for the team.



See no evil, Hear no evil, Speak no evil . . .



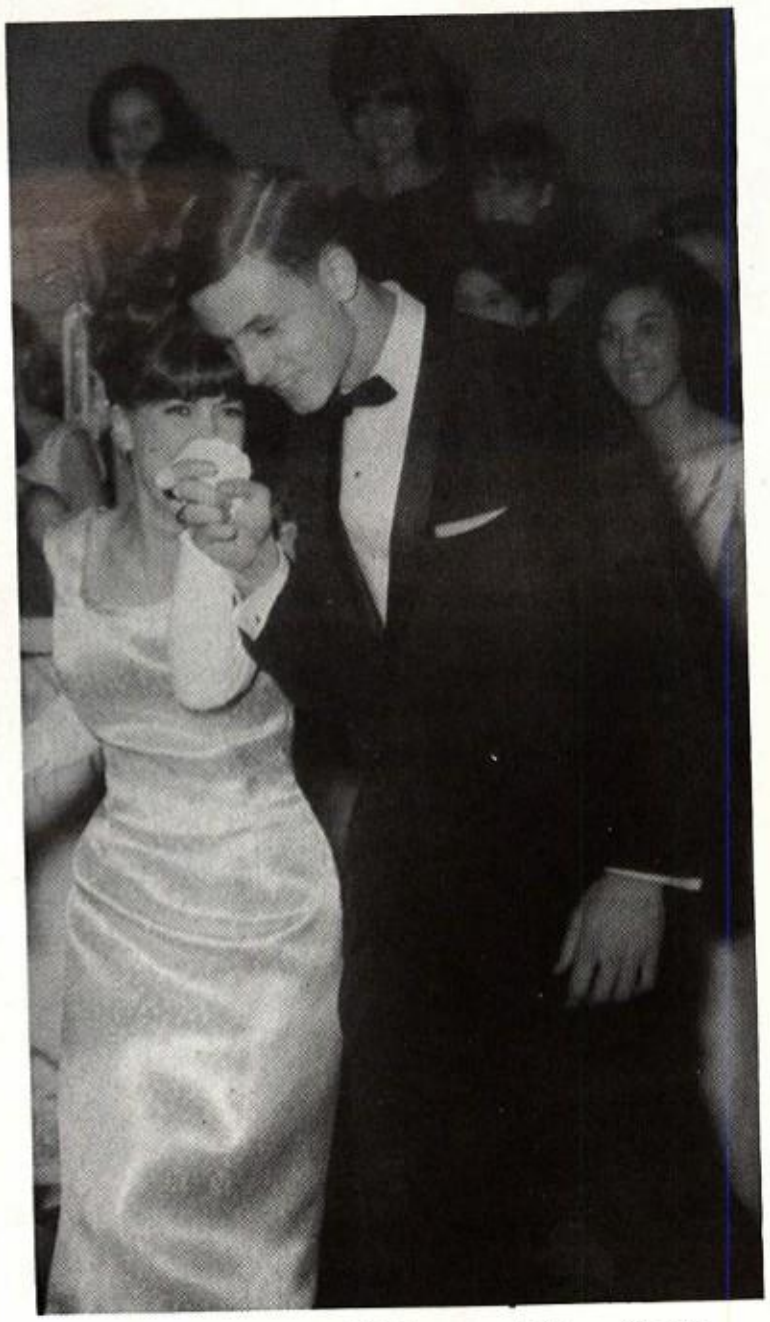
Poor freshmen go round and round on initiation day.

A 12½ Jumbo was Sue!!!

Hmmm! What's in that cup?

They flock like geese.

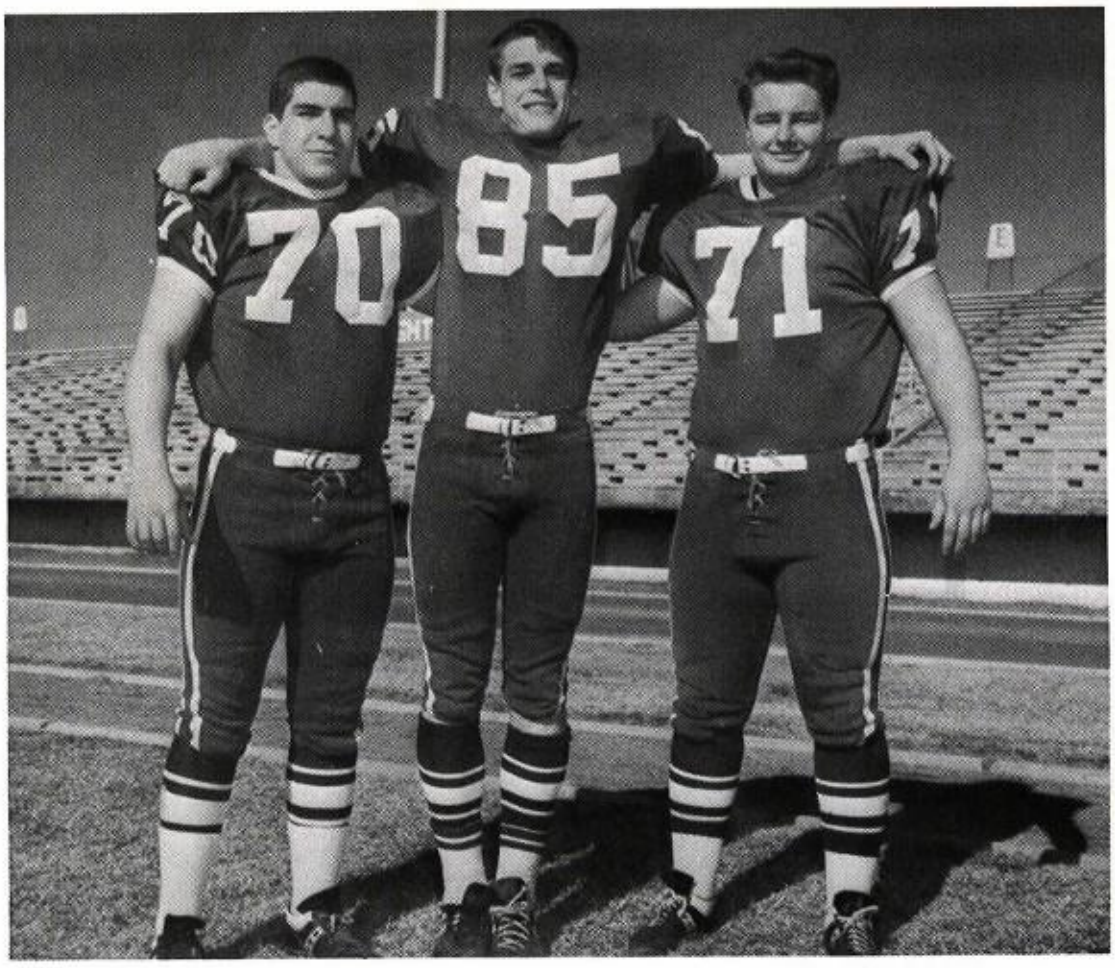
Children must play!!!



Watch it Ken!

Are you still trying to check out?

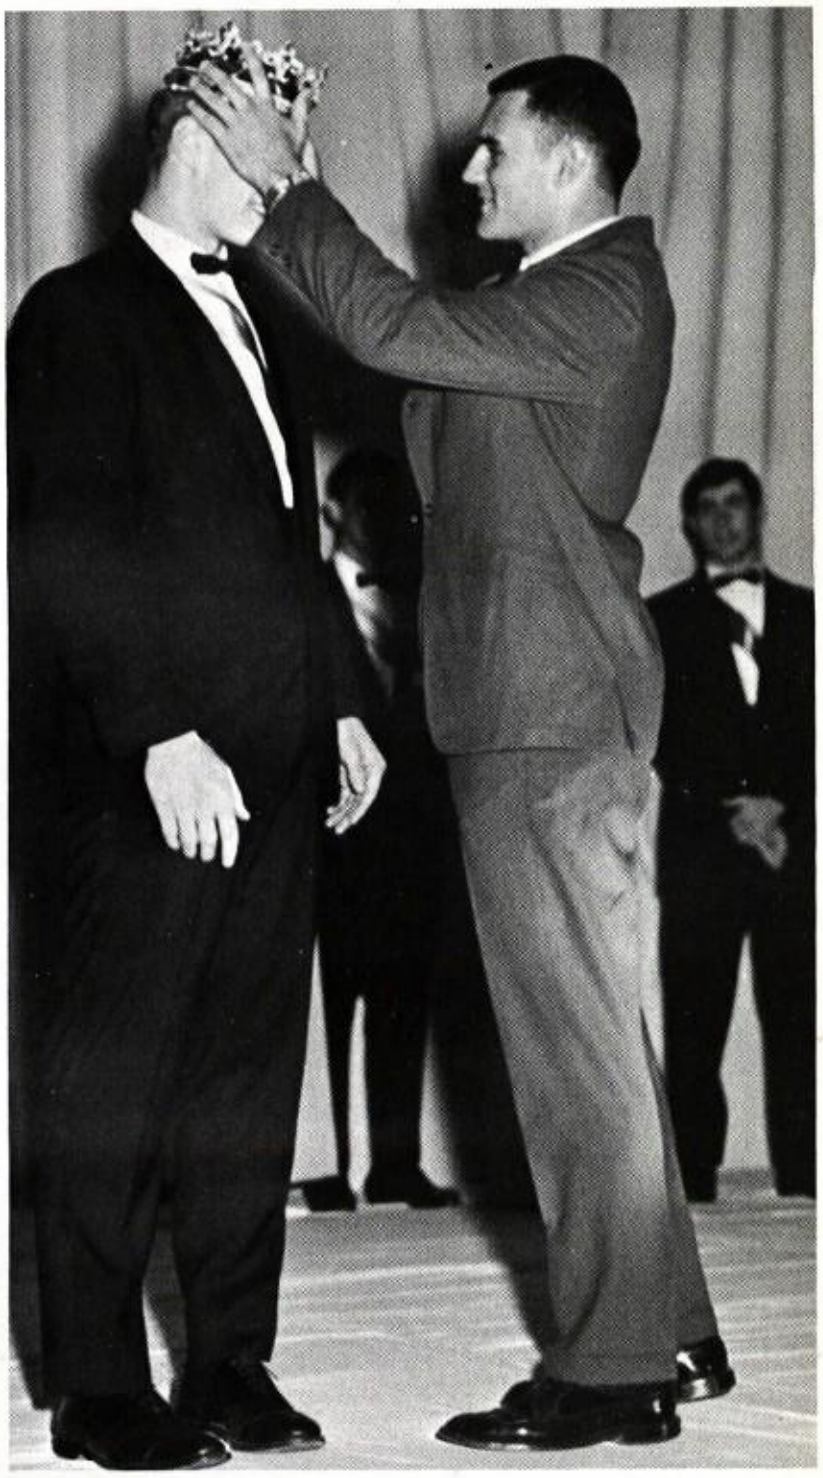
Miss Merry Christmas, Miss Sherry Combs!



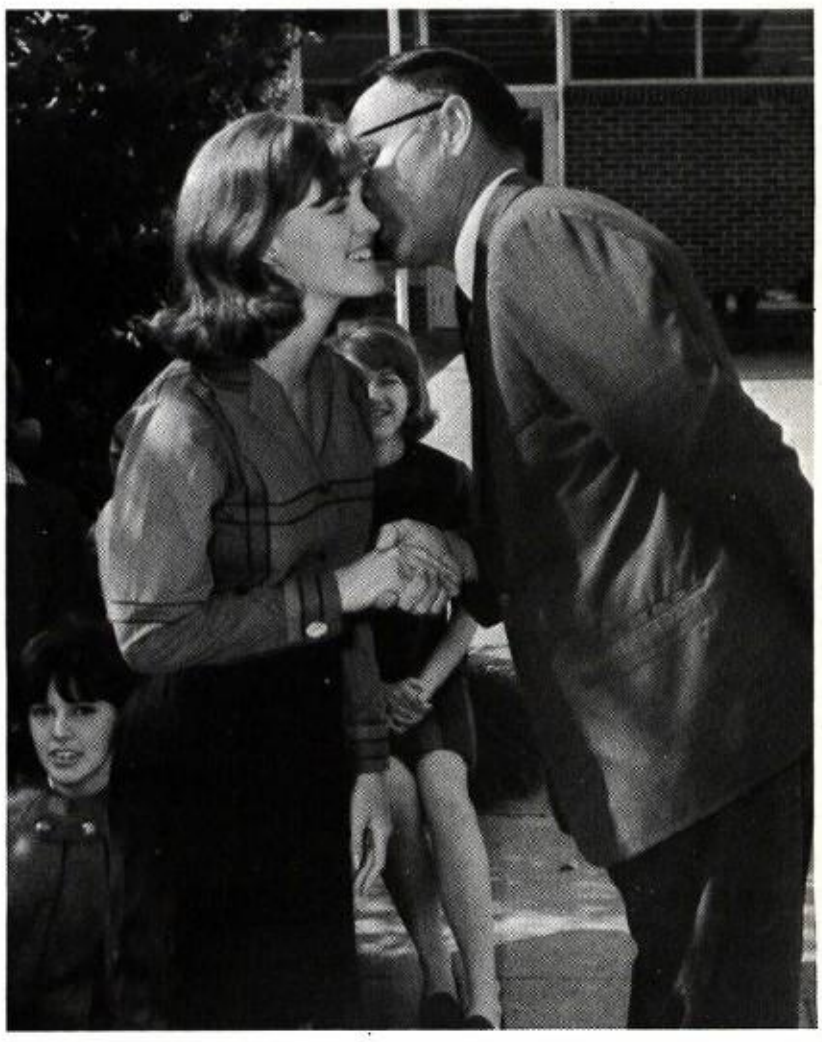
The Three Musketeers

Smile!! You're on Candid Camera.

Sweethearts wait anxiously for the announcement of Miss Merry Christmas.



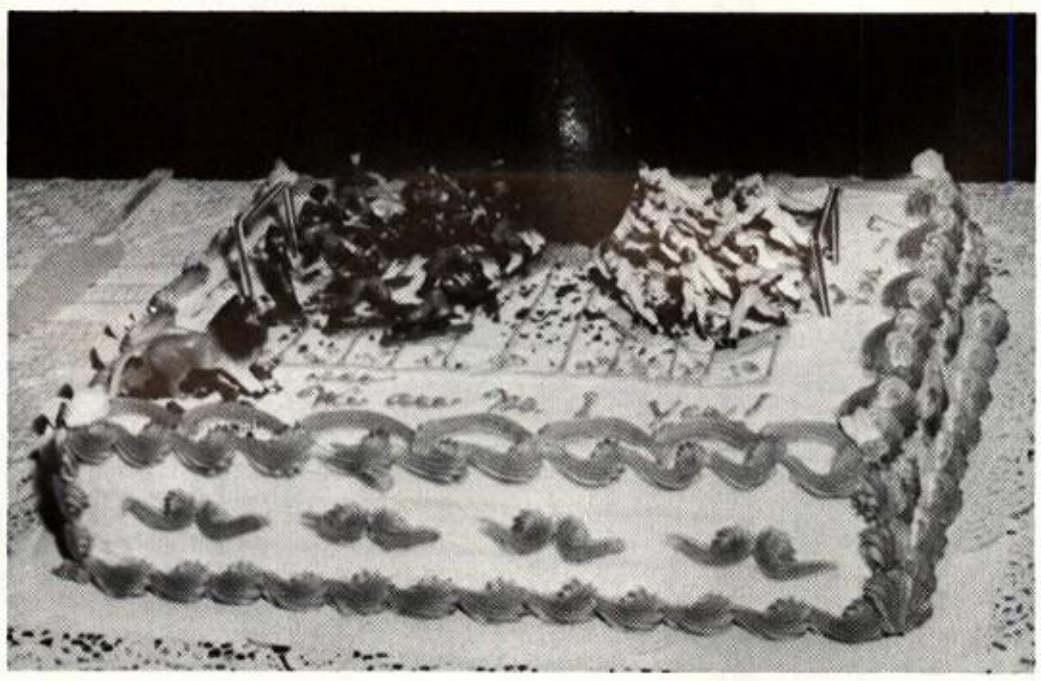
"Queen for a Day"



I deserve to cut for that!!!

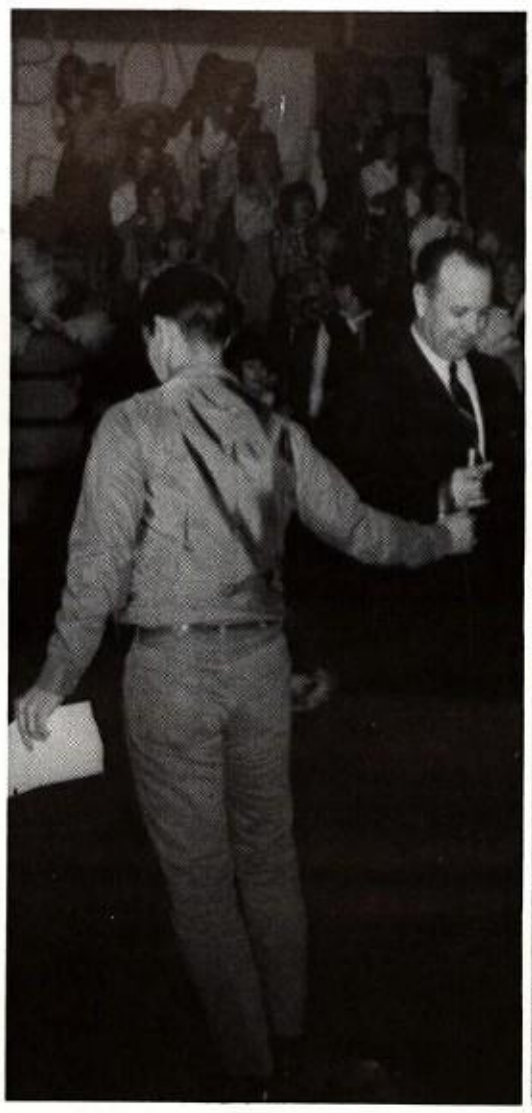
Ann smiled happily when she was chosen second Belle.

Carol tries to explain the plans for the senior float.

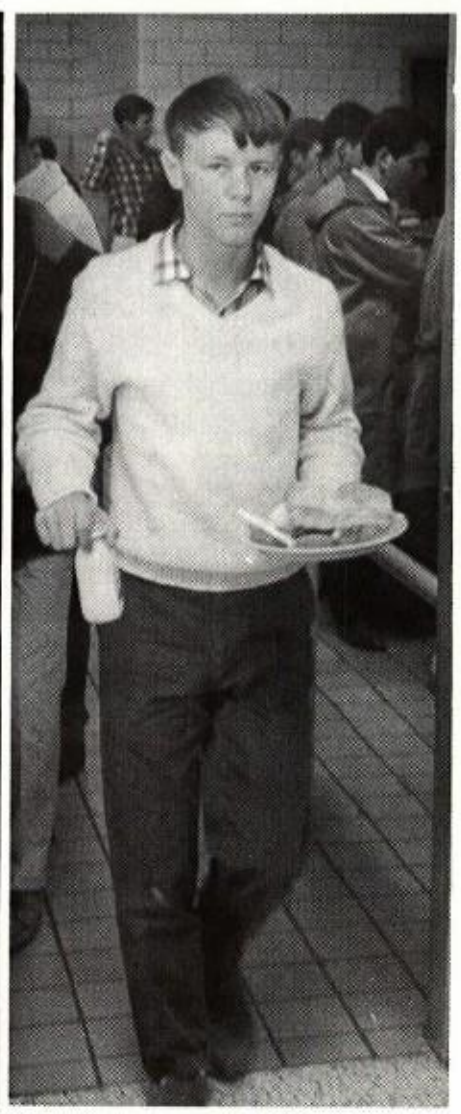


Way to go, Coussan.

Sherry congratulates Kathy and Ross.

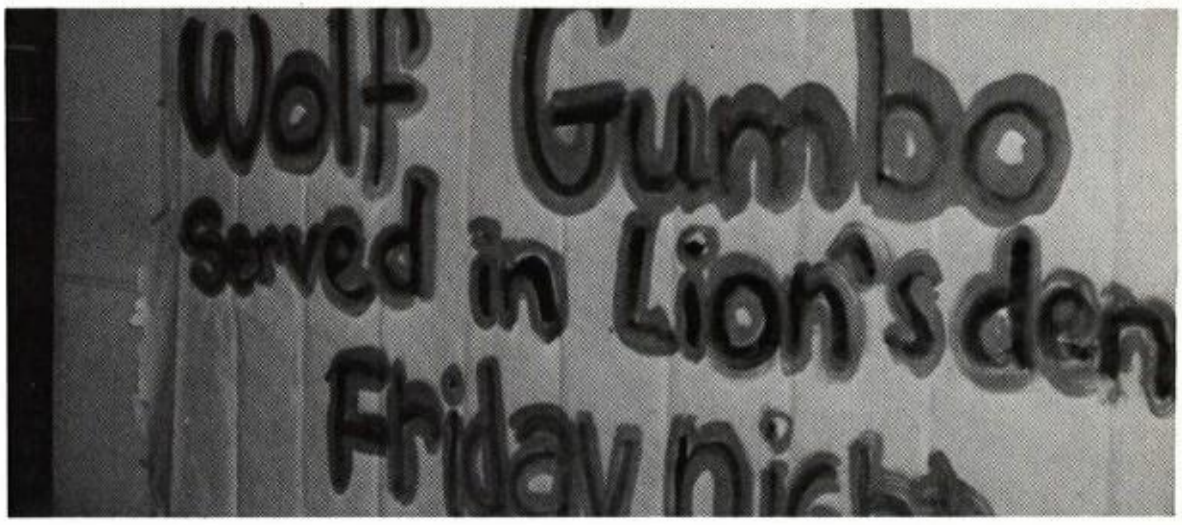


Mayor Bertrand visits us before the Sulphur clash.

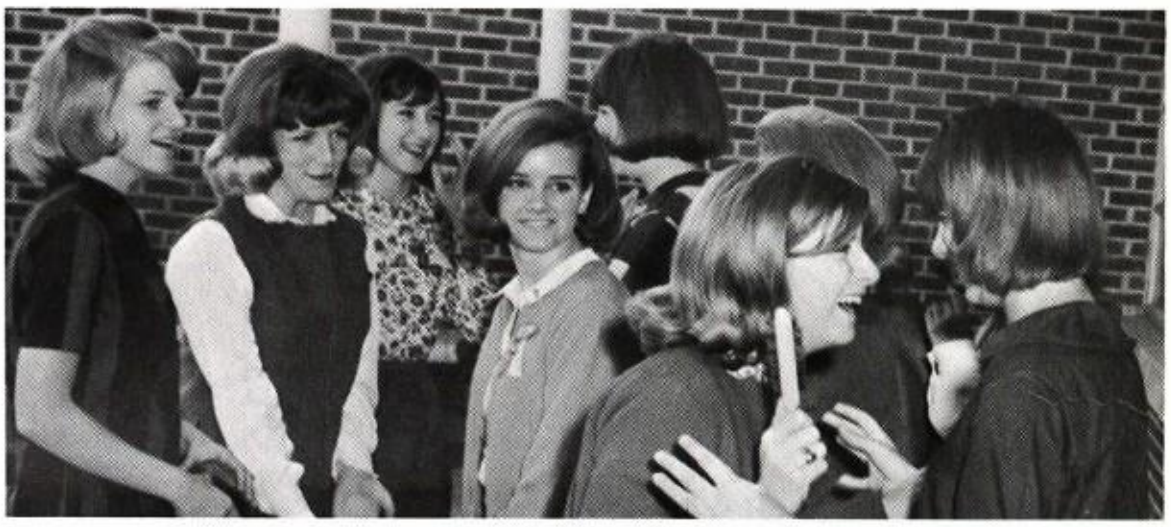


What's for Dessert.

Nothing like flowers, flowers, flowers!



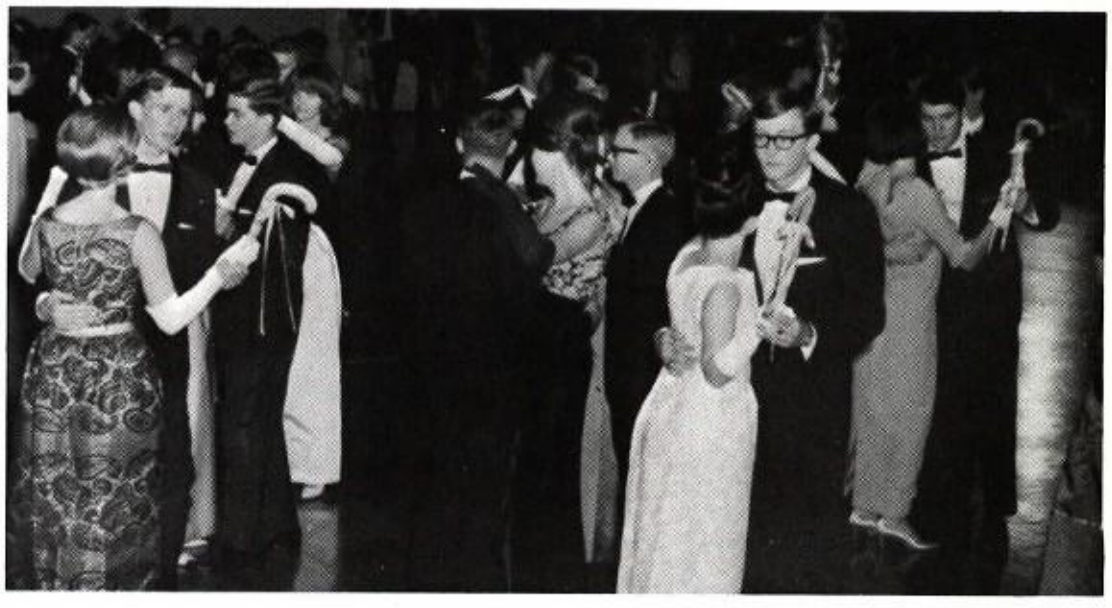
Buy your tickets from the Lion's Din.



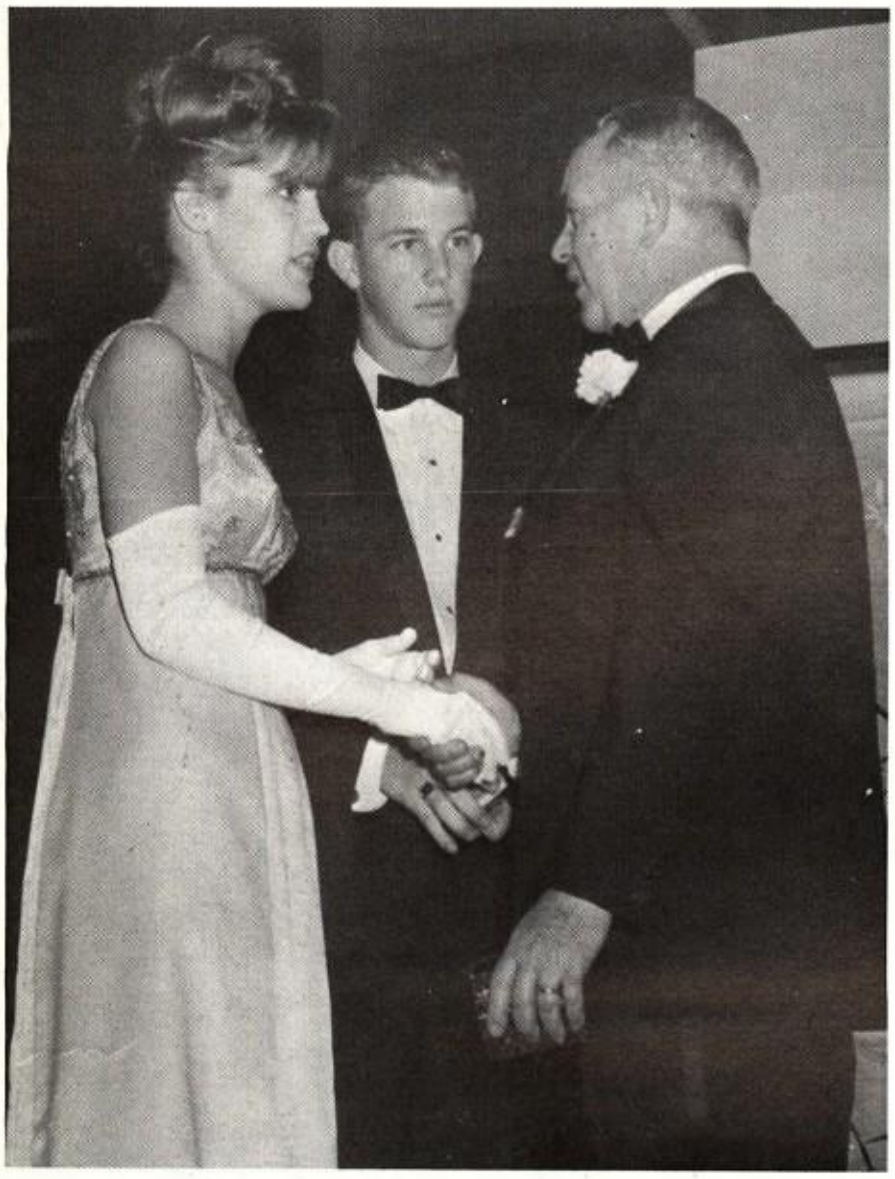
The girls scream with excitement when the court is announced.

Mrs. Mumpower leaves enthusiastically on a T.G.I.F.

The Sophomore Class boosted L.H.S.'s spirit very much this year.



The court enjoyed the first dance.



I can't believe it!!!

The Dimensions entertain the student body.

Prison!!!

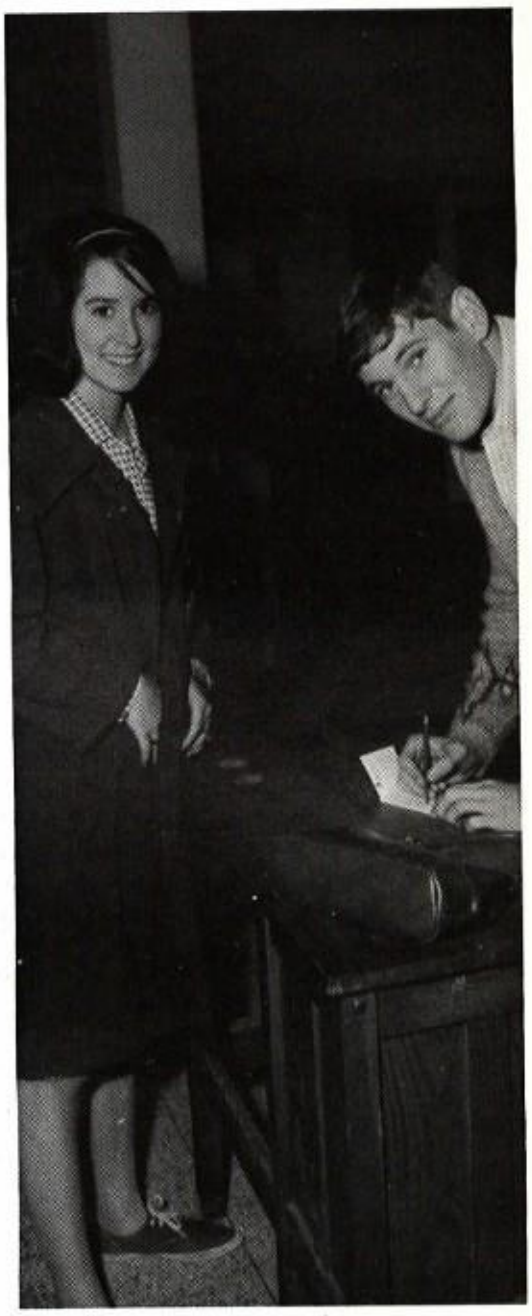
Look at the new couple.

Don't you wish we were all smart.

Smile pretty, Christie.

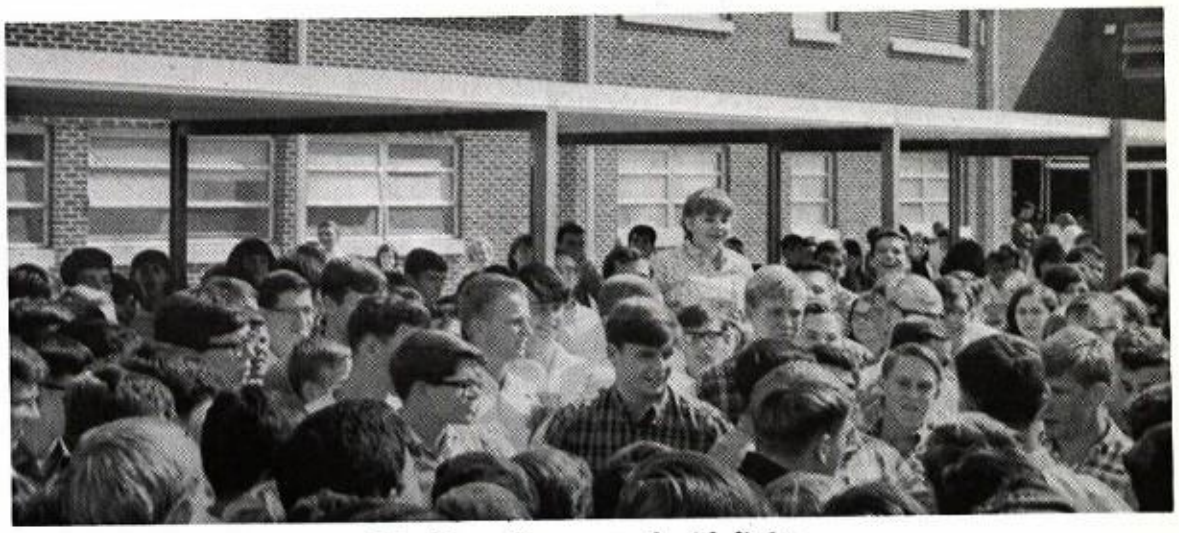
Shorty grins when he finds a camera.

Help! Help! The bell rang!

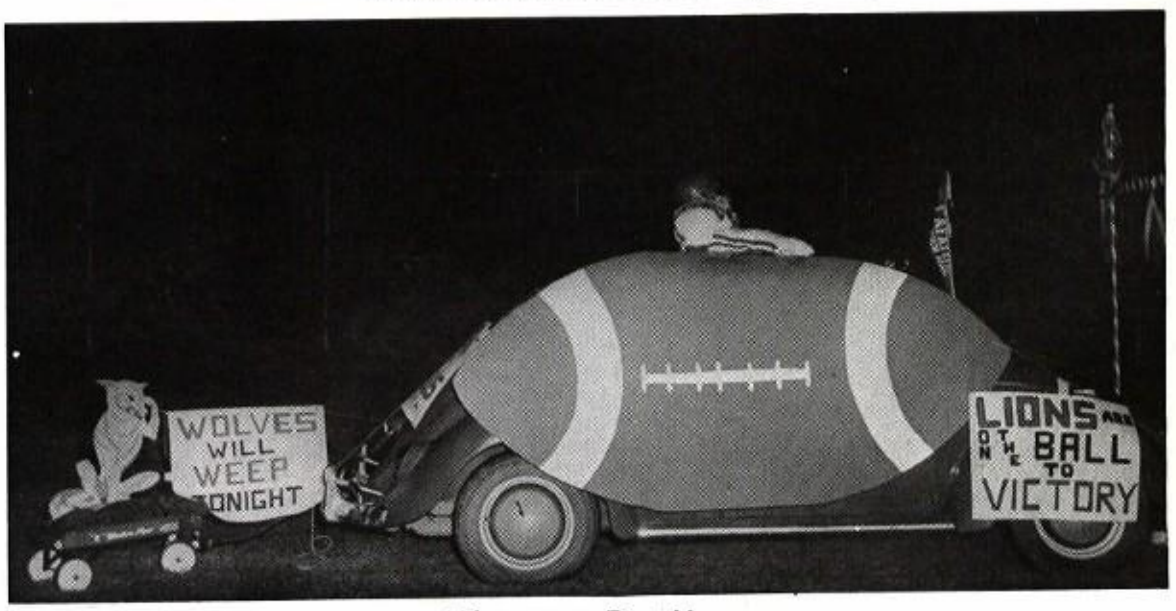


Mike finally sells a yearbook!

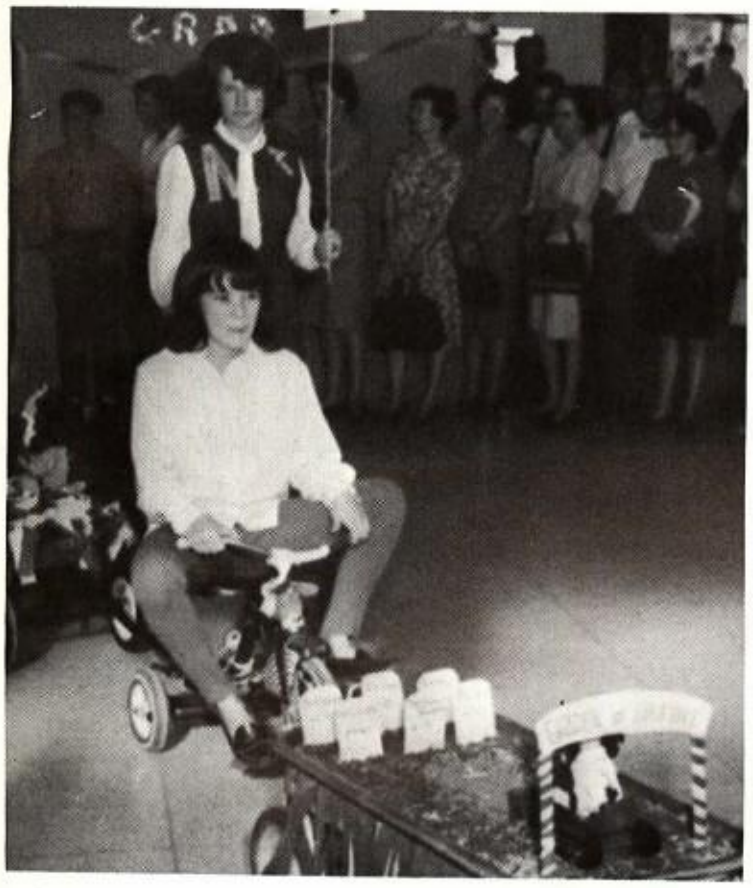
Janet! Miss Gauther isn't going to fall for that!



Nothing like a good old fight.

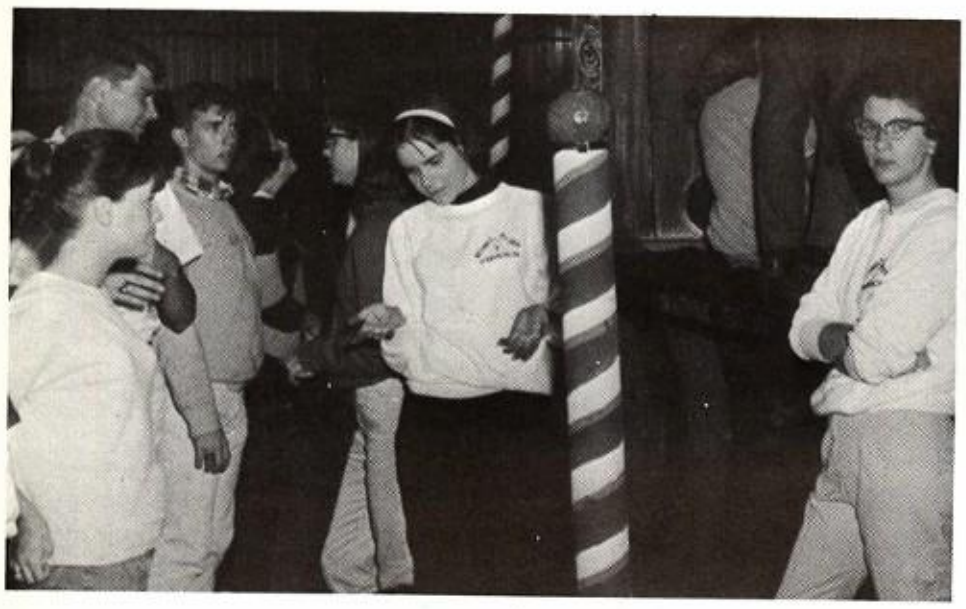


Victory or Bust!!



The Pep Parade was a big success.

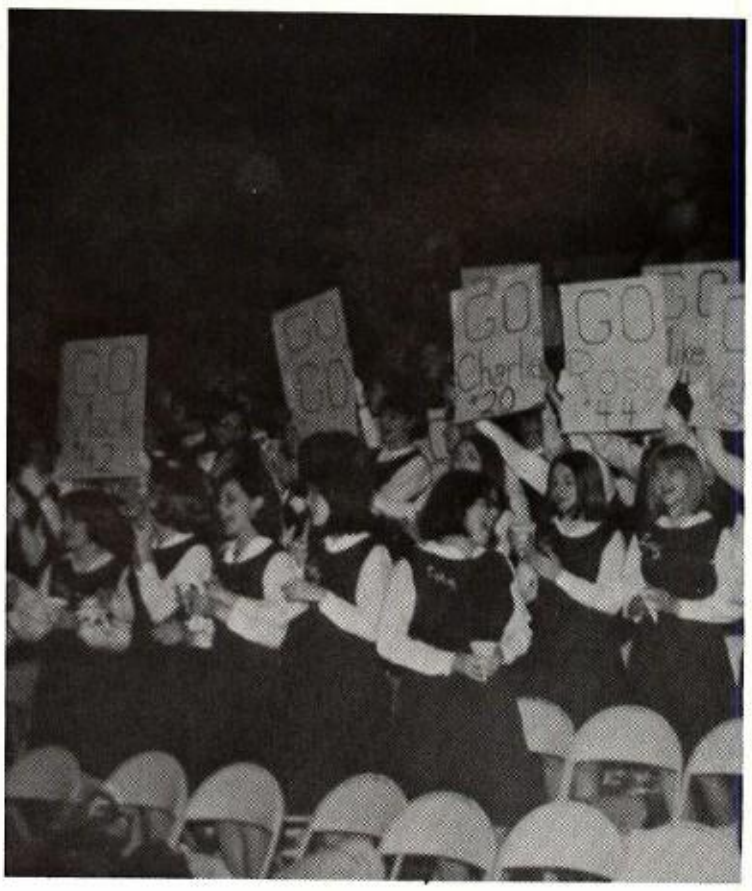
I'm ready to leave now.



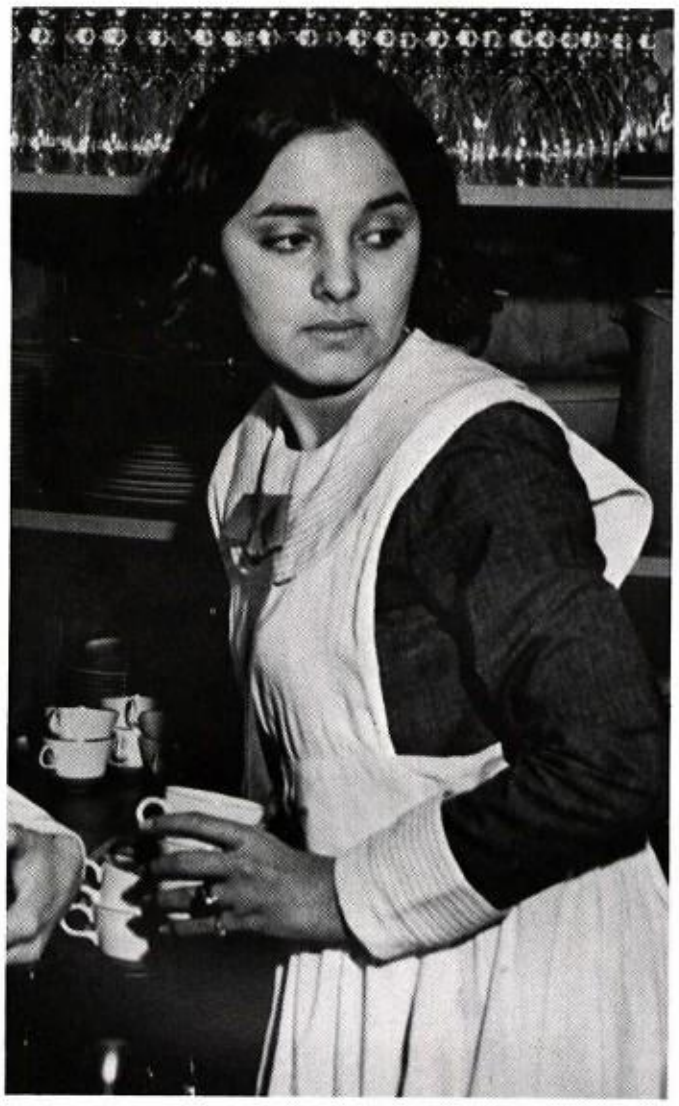
The Seniors really did work hard on their float!!

You're not that cute, Brupbacher!

Too bad you're on a diet, Bugga.



The Lionettes show plenty of spirit in Shreveport.



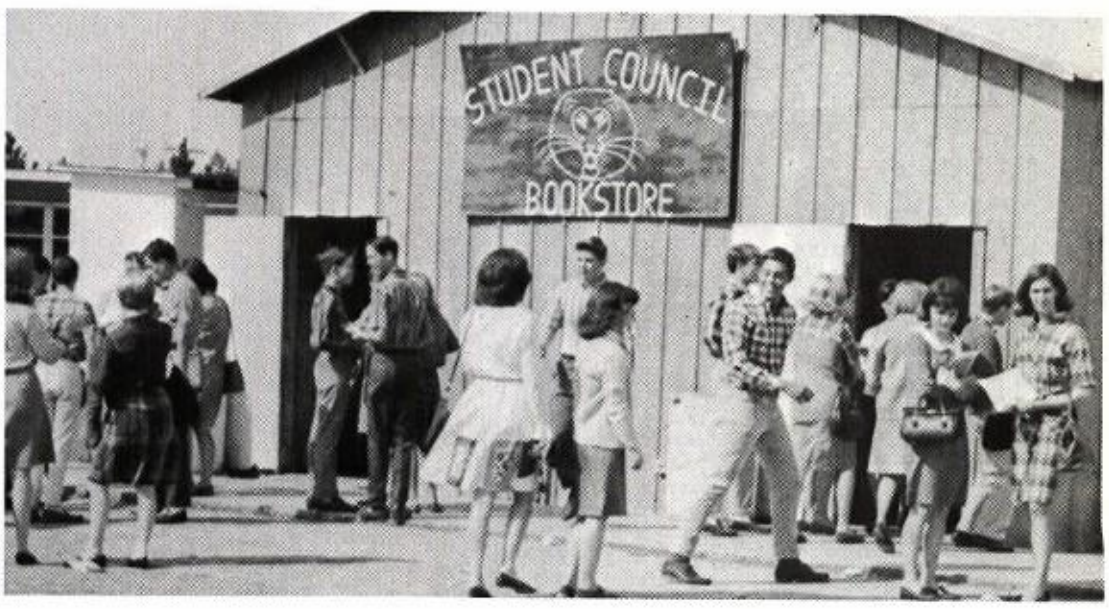
Hmm Hmm! What goes on in Home Ec?

Is it Atlanta or Chapel Hill, Kath?

Our skilled photographer Ponders over what shot to get next!

Oh Baby, you know what I like!!!

Fingerpaints and playdough next six weeks, Kiddies!!!



What would we do without the good old bookstore?

Mrs. Breaux helps in planning Homecoming activities.

Teaching has been an important part of her life.

Mrs. Breaux aided in the annual school elections.

Appreciation

of her many fruitful years spent in the teaching profession and of her genuine interest in, and love for, the youth of today, we dedicate this 1966 volume of the Lion's Din to Mrs. Dena Breaux who retired from her teaching career this past May.

Mrs. Breaux was an outstanding English teacher for many years. Throughout her tenure at Lafayette High, she encouraged high standards in our school, thus helping to shape and mold the character of hundreds of young people.

Our former English faculty member served the school in many ways other than in actual teaching. At various times, she was the sponsor of the Parlez-Vous and of Semper Amici. Up to the time of her retirement, Mrs. Breaux was active in Homecoming activities and in annual school election campaigns.

So to you, Mrs. Breaux, we dedicate this 1965-66 Lion's Din, and we say a sincere "thank you" to a grand teacher and a wonderful person.

Mrs. Breaux has helped with numerous extracurricular activities throughout her teaching career.

Dear Phyllis - I finally got your book to sign. I've written 3 letters but haven't mailed any - I went to see Paul Revere with Terry. We were an "action" Friday. All the kids in the neighborhood saw us. Write soon.

Love,
Cindy
